Central-Laurel P. T. A.

In spite of weather conditions, the Central-Laurel P. T. A. meeting on Tuesday, March 10, was one of the best attended sessions held this year. If it takes such weather conditions to make successful meetings, the officers are going to turn into Riley frogs, "an' jist holler fer rain."

Miss Kely made "Character Training" so interesting that we are looking forward to more of her talks in the future.

Mrs. Helen Humbree Colburn, daughter-in-law of Mrs. Alonzo Colburn, who recently moved to Chicago from Portland, Ore., gave a delightful reading. Mrs. Colburn is well known among western clubs for her excellent entertainments.

The food sale netted \$28. Another sale will be held at the April meeting. And don't forget, it is urged, the meetings begin at 2:30 p. m.

CONTRACT BRIDGE LESSONS OFFERED BY CENTRAL-LAUREL P. T. A.

Contract bridge today is perhaps nearer to standardization than ever in its history, the accepted standard pointing now to simplicity and sanity in bidding. Through the use of the approach bid (the suit before the no-trump) and the forcing bid—so-called because it demands a choice of suits or no-trump from a weak partner—bids are gradually built up by the partnership combining the hands for the best bid of the two, rather than the best bid in the strong hand.

Under the auspices of the Central-Laurel P. T. A. of Wilmette, Helen Hyde Carter will conduct a series of lectures and play, to bring out the foregoing points that make for winning contract bridge.

These lectures will be held at the Wilmette Woman's club, the first lecture to be Monday evening, March

New Trier Meets Morton in Debates Thursday, Mar. 26

New Trier High school debaters were busy this week preparing for a dual debate with Morton High school of Cicero on Thursday, March 26. The New Trier negative team will debate at home, while the affirmative team will journey to Cicero.

Debate Coach Chester E. MacLean of New Trier stated this week that the New Trier negative team will be composed of Paul Netterstrom, Robert Livingston and either William Freeman or Tom Antrim. On the affirmative team, he said, will be Donald Nelson, Lambert Maguire and either Albert Ackermann or John Curtis. The debates probably will be decision affairs.

New Trier will also debate Maine Township High school of DesPlaines sometime in April, according to present plans, and the annual Cleveland Heights-New Trier debate will be held in May.

In the preliminaries of the National Forensic league debate tournament at Aurora last week both New Trier teams were defeated. The negative team lost to Sandwich, last year's state champions, by a 3 to 0 decision. Freeport won a 2 to 1 decision over the New Trier affirmative team. The chain store question was the subject debated.

Donald Nelson, Lambert Maguire and Albert Ackermann represented New Trier on the affirmative side of the question. The New Trier negative team was composed of Paul Netterstrom, William Freeman and Robert Livingston. Ernest Enchelmayer, student manager of debate, also made the trip to Aurora.

The Men's Whist club met Monday evening at the home of Claude E. Fitch, 1033 Elmwood avenue.

30, at 8 o'clock. It is not necessary to live in Wilmette to take advantage of these lectures; they are open to all residents of the north shore.
