Garden Club Has Benefit Tonight

Village Beautification to Take Part of Proceeds from Maurer Lecture

Last minute tickets for the Wilmette Garden club's lecture on "Colonial Homes and Gardens" which will be given by Mrs. John S. Maurer at the Woman's club of Wilmette this evening at 8 o'clock, may be obtained at the door, Mrs. C. P. Berg, chairman of the ticket sale, announces. Proceeds of the entertainment are in part for village beautifying.

The parties of the garden club and its friends are always friendly, get-together affairs of "real dirt gardeners" and this one will be no exception to the rule, according to Mrs. Hayes McKinney, chairman of the entertainment. Mrs. Walter Clark is the program chairman. Mrs. C. N. Roberts will have charge of the flower arrangements on the platform.

The following members will act as hostesses, assisting Mrs. Edward Scheidenhelm, the president of the club; Mrs. C. P. Berg, Mrs. E. H. Burge, Mrs. J. C. Baker, Mrs. Hayes McKinney, Mrs. W. G. Mitchell, Mrs. James Moore, Mrs. J. Benton Schaub, and Mrs. John F. Weedon.

The beautiful slides in color which Mrs. Maurer shows of early American homes, famed in history, are from pictures which she took on her trip through states which were once the early colonies. The gardens, as well as the houses, are very old and many of them famous. Mrs. Maurer shows interiors as well as exteriors of colonial homes. And she tells her audience how to find these interesting old places when they are traveling in the east.

Northridge Club Will See Gandhi Pictures

Members of the Northridge Woman's club will entertain guests Monday, April 6, at luncheon at the Indian Trail tea room, 507 Chestnut street, Winnetka. Lunch is at one o'clock and following that an afternoon of bridge is planned. Reservations may be made with Mrs. Bruce Reynolds, 2030 Thornwood avenue.

The monthly meeting of the club will be held April 13, in the Girl Scout room of the Wilmette Methodist Episcopal church at 8 o'clock. The speaker for that evening will be Howard E. Bowers, who will present a motion picture travelogue of "India." Mr. Bowers was fortunate in having an audience with Mahatma Gandhi and although Gandhi would not come out of his tent, Mr. Bowers was able to get some remarkable pictures.

Members are privileged to bring guests to hear Mr. Bowers on this very fascinating subject.

The next meeting of the Parliamentary law class will be at the home of Mrs. William Hughes, 1917 Ashland avenue, April 7.

To Address Young Mothers

The Young Mothers' club of Wilmette will meet Monday evening at 8 o'clock, at the home of Mrs. G. F. Brewer, 1018 Eleventh street, with Mrs. A. P. Haake of 721 Ninth street and Mrs. G. L. White of 1126 Linden avenue, acting as assistant hostesses. Dr. W. B. Schmerhorn will speak on "Teaching with Authority."

Have Feminine Leads in Play

Photos by Toloff

Miss Mary Daeglin (left) and Mrs. Charles Broad (right) are playing the leading feminine roles in "Your Uncle Dudley," the lively comedy which is being presented on Friday, April 10, and Saturday, April 11, at the Wilmette Woman's club, Tenth street and Greenleaf avenue, under the auspices of the Woman's Catholic club, for the benefit of the church building fund of St. Francis Xavier parish. Mrs. Broad has lived in Wilmette some time and her dramatic ability has long since been recognized. She has coached several local successes and has taken part in previous programs of the club and the choir of St. Francis church.

Miss Daeglin is popular with the young college crowd and a number of her friends impatiently await her appearance in this production.

George Lowell on Coming Junior Auxiliary Program

On Tuesday evening, April 7, there will be another of the annual monthly meetings of the Junior auxiliary of the Woman's Catholic club. The meeting will take place at the Woman's club of Wilmette at 7:30 o'clock.

The officers nominated at the last meeting, March 2, will be voted upon at this meeting, following which there will be a program of unusual interest given by George Clarke Lowell. Mr. Lowell is a favorite of the north shore clubs in acting as well as in real life. He appeared last year as "camera man" in the Barnstormer's production of "Close-Up." In reality, he is a camera man by hobby though showing the perfection of a professional. He is noted for his moving pictures and is considered the best amateur photographer of the north shore. A variety of pictures taken in America, in England, and on the continent will be presented.

Miss Gertrude McAdams, of the auxiliary members, will offer a number of semi-classical and classical selections on the piano. These will pertain to the countries being shown by Mr. Lowell on the screen.

Refreshments will be served by the hostesses who are to include the Misses Elsie Dodo, Mary Florence and Majorie Koenig, and Grace Ludwig.

Philanthropy Workers to Be Woman's Club Guests

The Woman's club of Wilmette has its next regular program Wednesday, April 8, and on that day the club will be hostess to all of the philanthropy workers who are not members. The entire program is in charge of the philanthropy department, whose chairman is Mrs. Frederick Tilt.

The morning session, which will commence at 10:30 o'clock, is relative to ex-service men and has been arranged by Mrs. Willis Hutson, chairman of the committee for friendly cooperation with ex-service men.

Miss Florence Parker, Red Cross director at the Great Lakes Naval Training station, and Dr. H. E. St. Antoine, medical officer in charge of the U. S. Veterans' hospital at North Chicago will be the first two speakers.

At 12:15, Mrs. R. C. Kirkpatrick, chairman of public welfare, has secured as speaker, Mrs. Grant Beebe, first vice-president of the Illinois Federation of Women's clubs, who is to give a talk on "Vocational Supervision."

Following the one o'clock luncheon Miss Beatrice Kaplan will give a reading and the Stetson Male quartet will sing.

Bakery Sale Saturday

The women of St. Joseph's church will hold a bakery sale of Easter foods all day Saturday, April 4, at the Klinge and White store, Ridge and Lake avenues, Wilmette.

Woman's Club to Have Last Tour

To Include Chinatown, Ghetto, and Russian Cathedral in Visit April 21

The final tour of the series sponsored by the ways and means committee of the Wilmette Woman's club is to be conducted on April 21. It is really a combination of two tours, since two phases of Chicago's Melting Pot are to be visited. Chinatown, with its Shrine room, Chamber of Commerce, schools, will be shown by Chinese guides. Luncheon will be served at the largest Chinese restaurant, with chop sticks and other oriental touches. Later the tour will lead through the famous Maxwell Street Ghetto, that open-air market spread across the street from shop to shop. It has to be seen to be believed, this display of buying and selling in its primitive way. The Russian Cathedral on North Leavitt Street is to be visited also, a structure Byzantine in architecture and known for its Russian murals and elaborate friezes.

Mrs. Harry Barnhill is in charge of the tour, which is to be conducted by Arthur A. Woerner, 916 Oakwood avenue. Mr. Woerner has had many contacts through his teaching and his pupils with the life and customs of this foreign district. The ticket covers every expense, even the tips at luncheon. Motor buses are to leave the club building at 9:30 o'clock a half hour earlier than previously announced. To avoid disappointment, reservations are to be made early, for it will be impossible to accommodate last minute guests.

Sewing Today Benefit for Children's Home

The Children's Receiving home, a philanthropy conducted by the Lutheran Woman's league, is the beneficiary of the sewing sponsored today at the Woman's club of Wilmette by its philanthropy department. Mrs. Scott Smith, chairman, and Mrs. Walter Reisner, Mrs. A. M. Anderson, Mrs. John Borncamp, and Mrs. E. B. Knudson, her committee, are in charge of the work for the day in which all women of Wilmette are invited to participate between the hours of 10 in the morning and 4:30 in the afternoon.

Mrs. H. G. Nevins is chairman of the luncheon which is served at noon and to which mothers may bring school children.

During the sewing hours, Mrs. Charles A. Eldridge and her committee work on the comforters, as they do at all the philanthropy sewing days, which are open to the public.

N. S. C. I. Sisterhood in Final Meeting Apr. 15

The annual meeting of the Sisterhood of the North Shore Congregation Israel will be held at the temple in Glencoe Wednesday, April 15. This is a final yearly meeting of the Sisterhood. It begins with sewing at 9:30 in the morning followed by the annual spring luncheon at 12 o'clock. The afternoon program, which begins at 2:30, is one of special merit. It is a dance program given by Mrs. Helen S. Aaron and her pupils, a very talented group led by a very clever teacher.

Reservations for the luncheon are to be made at an early date with Mrs. Sol Blair of 485 Sunset road, Winnetka.
