

North Shore Residents at Flower Guild Tea

Mrs. A. Ballard Bradley, president, and Mrs. Harold Wilder, chairman of the Flower Guild committee of the Garden club of Winnetka, were among the presidents of about one-hundred garden clubs in the Chicago area and their Flower Guild chairmen, as well as representatives of many women's clubs, who were present at the tea given by the Chicago, Plant, Flower and Fruit guild Tuesday afternoon of last week in the Merchandise Mart tea room. The tea formally inaugurated the Flower guild's 1931 season.

Dr. Graham Taylor, founder of Chicago Commons, was the speaker. Assisting the officers of the guild in the reception of guests were the following social service leaders: Miss Lea D. Taylor of Chicago Commons; Miss Harriet Vittum, Northwestern University settlement; Miss Edna L. Foley, superintendent of the Visiting Nurse association; Miss Mary McDowell, University of Chicago settlement; Miss Sara B. Place, superintendent of the Infant Welfare society.

Acting as hosts and hostesses were officers of the Flower guild and the chairmen and vice-chairmen in charge of various branches in its organization. Included among these were Mrs. Stephen A. Foster of Winnetka, vice-chairman of the Milwaukee division, North Western railway branch, of which Mrs. F. W. Kingsley of Evanston is chairman; Mrs. T. E. Moritz of Kenilworth, chairman of the Illinois Central station; Jens Jensen, and Mrs. John Lind, officers of the guild.

Kenilworth Garden Club Awards G. C. A. Medal

The Garden club of Kenilworth had the honor of presenting the medal given by the Garden Club of America to the most outstanding exhibit at the Flower show recently held in Chicago's Merchandise Mart under the auspices of the Garden Club of Illinois.

Mrs. Rufus Stolp was chosen to make the selection and after careful study, analysis and conscientious thought, she awarded the medal to the Cook County Forest Preserve.

Those who attended the show will recall the natural beauty of this exhibit. The award will doubtless further interest on the part of the Forest Preserves and encourage the efforts of the departments of Wild Flower conservation which are being made all over the country. The results of these efforts affect more people than any one smaller group.

Mr. and Mrs. Hugh Foresman and Miss Patty Foresman, returned to Kenilworth last Sunday from a three weeks' trip to the Bermudas.

The performance to be given is extremely clever, well directed, and splendidly acted. The sketch was written by Mrs. Max Woldenberg and is being directed by her and Mrs. Cowen.

All members and their friends are cordially invited as friends of the Sisterhood.
