### Arden Shore Voices Appeal to Villagers

The Wilmette Arden shore committee voices another appeal for soap wrappers and soap chip panels, shrubs and perennials for Arden Shore camp.

With the former contributions Mrs. Willis Hutson is able to procure silverware for the tables of the workers at Arden Shore, and with those donations, Miss Anna Belle Ferrier, superintendent, hopes to carry out the landscape plan made for the encampment several years ago, but which it has not been able to realize.

Those having the soap coupons to contribute may notify Mrs. Hutson at 1112 Elmwood avenue, or leave them with her. North shore gardeners, who, as they go over their garden plans for this coming season and find they have more shrubs and perennials than they need, or some they wish to discard, may notify Mrs. Leslie W. Millar of 510 Washington avenue, chairman of the Wilmette Arden Shore board, and she will arrange for their collection.

Miss Virginia Rich, daughter of Mr. and Mrs. Arnest A. Rich of 120 Abington avenue, Kenilworth, has returned from her studies at Beloit college to spend the spring vacation with her parents. Miss Rich is a freshman this year. With her from Beloit came Miss Donna Wiley of Wilmette.

Mrs. Thomas M. Knox of 519 Forest avenue, Wilmette, who has been at Miami Beach, Fla. since Christmas, will return to Wilmette about the middle of April.

Mrs. Edwin Hedrick of 304 Melrose avenue entertained her bridge club Tuesday of this week.

### Women's Clubs Will Convene on April 15

Delegates and clubwomen from local organizations affiliated with the Tenth district of the Illinois Federation of Women's clubs will attend the annual meeting to be held on April 15, at the Edgewater Beach hotel, with the Catholic Woman's club as hostess.

The morning session will open at 10 o'clock with group singing of "America the Beautiful" followed by greetings from Mrs. Charles O. Elson, president of the hostess club, and response by Mrs. S. W. Gibson, Tenth district president. A feature of the morning session will be four minute reports by district chairmen on their year's work.

Luncheon will be served in the hotel at 12:30 and the afternoon session will convene at 1:30. The principal speaker of the afternoon will be Mrs. George Thomas Palmer who will speak on "Probation in Illinois." Music will be furnished by a double vocal sextet from clubs in the district and by Tsianina, American Indian prima donna and president of First Daughters of America, a Tenth District club composed of Indian women.

Mrs. Campbell Collins will read several poems entered in the District poetry contest and just before adjournment the new officers for the coming year will be presented.

Mr. and Mrs. Charles Driver with their two daughters, Beatrice and Charlene, of 423 Abbottsford road, Kenilworth, are expected home very soon from a two weeks' sojourn at Biloxi. They were accompanied by Mr. and Mrs. Herbert Bartling and their two daughters, Barbara and Joan, of Winnetka.
