

17 New Cases of Mumps, 15 of Measles Reported

Seventeen new cases of mumps and fifteen new cases of measles were reported by the Wilmette Health department for the week ending Wednesday, April 8. Cases of contagious diseases in Wilmette reported previous to Wednesday, April 1, which are still active, include eight cases of

measles, three of mumps, two of whooping cough, one of scarlet fever and one of erysipelas.

Arrest Chicago Youths for Stealing Bicycles

Officer Joe Schmidt of the Wilmette Police department picked up two 14-year-old Chicago youths Tues-

day afternoon who were wanted by the Kenilworth police for stealing bicycles. The two boys were Ralph Crosier of 1517 N. Rockwell street and Frank Klosske of 1509 N. Rockwell street. Officer Schmidt found them at Ninth street and Greenleaf avenue in Wilmette on their way to the "L" station. They had abandoned the bicycles on Chestnut avenue.

GIVE BRIDGE LUNCHEON

Mrs. George E. Holloway, 330 Oxford road, Kenilworth, entertained a group of her friends and those of her mother-in-law at luncheon and bridge on Wednesday.

Mrs. William A. Grover, 201 Eighteenth street, and Miss Cora Thompson motored to Leland, Ill., over Easter.

MOST FOR YOUR MONEY AT THE HUB

Twisting, turning and squirming in chairs. No wonder trousers get shiny and out of press. That extra pair helps suits give double service.

An extra pair of trousers kept freshly pressed comes in mighty handy on "rush" occasions. Another reason for double service two-trouser suits.
