N. T. Girls' Club Plans Food Sale to Complete Fund

The Girls' club of New Trier High school will hold a food sale this Saturday, April 25, in a vacant store building at 1159 Wilmette avenue, Wilmette. From the proceeds of this sale the New Trier girls hope to complete the raising of their scholarship fund of \$1,200. It will be their last money-making venture of the year.

Bread of all kinds, cakes, pies, rolls, cookies, doughnuts and salads will be sold, it was announced by Miss Lulu Wright, faculty sponsor of the Girls' club. The best food that can be obtained from the best homes on the north shore will be sold at very reasonable prices, Miss Wright states. It is expected that there will be two hundred cakes for sale, as well as the many other bakery and pastry goods.

Each year the Girls' club helps several girl graduates of New Trier High school to continue their education—girls who, without help from the club, would be unable to go to college. In addition to providing college scholarships the Girls' club also helps girl students at New Trier who are in need of help. This year the club has spent nearly four hundred dollars for this purpose alone. It has also made a payment of five hundred dollars on the new grand piano purchased last year for the girls' club room at the high school.

At the present time the club has in the bank one thousand dollars towards its college scholarship fund for the coming year. From the proceeds of the food sale this Saturday it hopes to reach its goal of \$1,200. The scholarships will be awarded in May.

The Girls' club has been organized twelve years ago. It has been providing college scholarships for about eight years, and in that length of time has awarded fifty such scholarships. The college scholastic standing of girls who have won these scholarships has been very high, Miss Lulu Wright, faculty sponsor of the club, states. Last year the club helped ten girls get started in college.
