

## Pioneers Open Season Winning Over Dempsters

The Wilmette Pioneers opened their 1931 baseball season in fine fashion, defeating the Dempster Terminal club of Niles Center by the decisive score of 5-0, in the opening encounter at the Pioneers' field which is located at the northeast corner of Wilmette avenue and Hibbard road. Harry Schluter's excellent pitching, coupled with sparkling support, was the feature of the game. Harry allowed only four hits and put out ten via the strikeout route.

The Pioneers look forward to a

very prosperous season as their team is reinforced by new and better material. They intend to engage teams of note and they promise many exciting games at the Pioneer field for Sunday afternoon and twilight games.

Next Sunday the Pioneers will again engage the Terminals on the latter's field on Ridge avenue, Niles Center. They hope to repeat the victory although they anticipate more trouble.
