## Northwestern Circus Clowns Will Frolic in Evanston Stores

There'll be signs of circus time in several Evanston stores today and Saturday when a group of clowns will come down from the Northwestern university campus to herald the approach of the students' annual circus May 1 and 2 at the gymnasium.

With a bevy of stunts six or eight collegiate clowns will entertain all children who visit the Hub, Wieboldt's, Lord's and Field's. Thursday afternoon a group will perform at Wieboldt's from 3:30 to 5. Friday afternoon they will be at Field's from 3:30 to 4:30 and another group will be at the Hub from 4 to 5. Saturday morning they will be at Lord's from 10 to 12 and in the afternoon from 2 to 3, while a number of them will disport themselves at Wieboldt's from 2 to 4 Saturday afternoon.

They will also give samples of the "big tent" performance at the public elementary schools Monday, Tuesday and Wednesday of next week.

### Fireworks, Parade, Sideshows

Features of the big show of which these clowns will be forerunners are two evening performances in the gymnasium which will serve as the "big top" for the acts of sorority and fraternity groups and a number of professionals, a fireworks display over the lake front behind the gym, a parade Saturday morning in which merchants, as well as students, will enter floats and a continuous two-day carnival with sideshows, ferris wheel, pony rides, pink pop and peanuts on the grounds just north of the gym.

A water circus will be another feature. Taking part in the performances May 1 at 4 p. m. and May 2 at 3 and 4, will be a number of swimming champions, including Wally Laufer of the Lake Shore Athletic club, A. A. U. backstroke champion, who will challenge anyone to a 20-yard race in which he will use only his feet while his opponent uses any stroke he wishes; Al Schwartz, the former Northwestern captain who won three individual inter-collegiate championships in the final national meet in which he took part, and Wally Colbath, another Purple ex-captain whose specialty is fancy diving. Comedy water stunts and an inter-fraternity boat race will also be on the program.

Tickets for the circus went on sale yesterday at Field's, the Student's Co-operative store and Chandler's.
