Winnetka Land Figures in Realty Transaction

Charles F. Glaeser, attorney, has just sold to Herbert R. Hedman, president of the Hedman Manufacturing company, manufacturers of the F. and E. Checkwriter, his 246-acre farm located southwest of Barrington, Ill., at the corner of Algonquin and Barrington roads; thoroughly improved and fully equipped with stock and machinery; subject to an encumbrance of \$18,000, the farm having been held at \$125,000.

Mr. Glaeser took in exchange a 400-acre improved and stocked farm located on Eagle Lake, Eagle, Wis., also 100 feet of vacant on Sheridan road, Winnetka, together with a ten-acre timbered tract on Willow road, just west of Northfield, Ill.

Mr. Hedman expects to develop the Barrington farm as an estate for a summer home.

Elmer E. Stults of E. E. Stults Realty company, was the only broker representing all parties to the transaction, and will continue in charge of the properties involved.

Military School Honors W. Lucke of Winnetka

Military academy, Delafield, Wis., has recently been appointed to duty as color sergeant at the academy. He formerly held the rank of ser-geant on the staff. The position of color sergeant is a high military honor. Only those cadets who are especially good soldiers can hope to belong to the color guard, and Lucke Hall, Lake Forest, held a card party is to be congratulated on his appoint- at the school last Tuesday afternoon. ment. Francis A. Groves, Jr., of Mrs. H. A. LaRoy, 1746 Washington Rochester, N. Y., was appointed to avenue, Wilmette, an alumna, atduty as the other color sergeant.

Christian Science Churches

"Everlasting Punishment" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 3.

The golden text was: "Evil pursueth sinners: but to the righteous good shall be repayed" (Proverbs

Among the citations which com-prised the lesson-sermon was the following from the Bible: "Thus saith the Lord. Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein. Hear, O earth: behold, I will bring evil upon this people, even the fruit of their thoughts, because they have not hearkened unto my words, nor to my law, but rejected it" (Jeremiah 6:16,

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The purpose and motive to live aright can William F. Lucke of 394 Elder be gained now. This point won, you lane, Winnetka, a cadet at St. John's have started as you should. You have begun at the numeration-table of Christian Science, and nothing but wrong intention can hinder your advancement. Working and praying with true motives, your Father will open the way" (p. 326).

> The Alumnae association of Ferry tended the affair with several guests.

Briefly — Here Is a Description of Our Marvelous New Process

The first step in this new process is to remove every vestige of oil, sulphur and other impurities from the naphtha. This is done in three scientific operations.

First the naphtha is subjected to a filtration process, then it is passed through a huge still and finally, a chemical treatment removes every least bit of remaining impurity-leaving the naphtha sparkling, crystal white and pure as the morning dew.

The actual cleaning process also combines three distinct operations. First the garments are bathed in torrents of this crystal white, naphtha — at the rate of more than 4,000 gallons (per hour) continually circulating — a complete change of naphtha every 20 seconds. Then comes a bath in pure liquid soap, which is also subjected to a filtration process, at the rate of 1,000 gallons per hour, followed by a thorough rinsing in a fresh flood of crystal white naphtha.

This wonder-working fluid penetrates every thread in every fabriccleans and purifies as nothing has ever done before. Colors are brightened, silks glisten, satins gleam, woolens come out with a soft fluffy nap, all perfectly odorless. And best of all, this miracle working new cleaning process will not increase our cleaning prices in the least.
