Make Plans for Field Day at Sears School

Robert W. Townley, athletic director at the Joseph Sears school in Kenilworth, and Miss Gertrude Herrick, assistant athletic director, will be busy this month getting the Kenilworth pupils ready for the annual Joseph Sears field day the latter part of this month. The date for the event had not been set early this week. The field day will take place on a date which does not conflict with that of the annual North Shore Grammar School league track meet. Athletic directors of the grammar schools in Kenilworth, Wilmette, Evanston and Glencoe planned to meet Wednesday of this week to set the date for the latter meet and to decide on a place for holding it.

Soloist May 23

Walter Widdop, tenor, makes his American debut at the Cincinnati May festival, and then comes to Evanston for the Chicago-North Shore festival. He will sing on Saturday evening, May 23, with the Chicago Symphony orchestra. He has chosen the Handel aria, "Sound an Alarm" from "Judas Maccabaeus," the Forge scene from Wagner's opera "Siegfried," and he will be assisted by the chorus in the finale from "Die Meistersinger," by Wagner, which closes the festival season.

SCHIPA TOURS ORIENT

Tito Schipa is in Italy for a summer of rest and recreation. He will sail for Japan in August and will visit the Orient for the first time during September and October, singing eighteen concerts before returning to Chicago for the winter season.
