President Dubbs Occupies Chair; Gets New Gavel

Carbon P. Dubbs, Wilmette's new Village president, presided at the regular meetings of the Wilmette Board of Local Improvements and the Wilmette Village board for the first time Tuesday night.

Although the new Village board functioned as the governing body of Wilmette for the first time Tuesday, May 5, Mr. Dubbs was unable to attend the meeting of the board on that date because of the serious illness of his mother in California.

Before the Village board took up its business Tuesday night Myles J. Phillips, who was active in the campaign for the election of Mr. Dubbs, made a speech congratulating the new president and presented him with a gavel on behalf of his friends. President Dubbs also received a huge floral tribute, and Mrs. Dubbs, who attended the meeting of the board, received a large bouquet of roses.

There's Nothing Like a Permanent In Summer

Many wise women have discovered the joy of one of our expert permanents. Lovely big loose waves that withstand hours spent in the water or at active play in the summer time. A series of facials will keep your skin in the "pink" of condition—a marcel or finger-wave styled to your individuality will give that well-groomed appearance so greatly desired during this out-of-doors season.
