

Boy Track Athletes Try Out for League

Boys who win first or second places in the annual Joseph Sears school field day this week at Kenilworth automatically will qualify for the North Shore Grammar School league's annual meet to be held at the Haven school in Evanston Monday, Tuesday and Wednesday of next week.

Four schools—Joseph Sears of Kenilworth, the Haven and Nichols schools of Evanston, and the Glencoe Public schools—will be entered in the league meet.

Competition will be in three classes—boys weighing less than ninety pounds, those weighing less than 110 pounds and those weighing more than 110 pounds—on the three successive days, Monday, Tuesday, and Wednesday.

Providing inclement weather did not interfere the Joseph Sears school planned to hold its junior field day and track meet for pupils in the first four grades today (Thursday) and the senior field day for the upper grades tomorrow (Friday).
