## Women Voters' Luncheon Monday

Isabel Molter and Kate Pentzer Stokes in Program at Vista del Lago, May 25

The Vista del Lago is to be the locale for the annual spring luncheon of the Wilmette League of Women Voters Monday, May 25, at 12:30 o'clock. Because of the excellence and charm of the program the league is offering that day, it is making its invitation an open one, and anyone interested in attending or entertaining guests that day, has the privilege of making reservations. Isabel Molter of Wilmette, soprano, and Kate Pentzer Stokes, reader, will give the program following the luncheon.

A business meeting will be held from 12 until 12:30, at which time polls will be open for the election of officers for the coming year.

Guests will be seated at tables of six, eight, or ten, and those giving little luncheon parties may have their own table. Reservations are to be made with Mrs. Harry Smoot, 731 Park avenue, by noon Friday, November 22.

Mrs. Molter, who is to be accompanied by her husband, Harold Molter, well known pianist, will sing four selections on her program: "Hope's in the Air Today" by Eden; "A Lullaby," Scott; "Last Night," by Kjerulf; "I Heard a Cry," Fisher.

Mrs. Stokes, one of the popular dramatic artists of today and the possessor of a glowing personality, a rich artistic experience and much personal charm and beauty, will give a reading of "Holiday," the well known play by Philip Barry. Kate Pentzer Stokes is not merely a reader of plays, but she reproduces the original production, not alone the lines of the play, but each intonation, gesture, and mannerism of each character in it.

## Tells All Householders of Economy Shop Needs

Housecleaning time is receiving time at the Economy shop in Wilmette, a philanthropy of the Woman's club of Wilmette. Householders in the village are urged by its chairman, Mrs. Henry E. Cutler, as they ransack closets and attics and chests of drawers and survey their rooms with critical eye, deciding upon what pieces of furniture they will keep, upon what they may discard as they change the general scheme of things in their homes, to keep the Economy shop and its needs in mind. Many things no longer in use or desired in Wilmette homes find an important niche at the shop where persons with little means may purchase clothing and household goods of all kinds at a very nominal sum. The call at this time of unemployment is unusually insistent.

Anyone having donations to make may leave them at the shop or communicate with Mrs. Cutler, whose address is 407 Central avenue, and she will arrange for their collection.
