## W. I. Bullard Will Speak at Chamber Meeting

The last meeting of the Wilmette Chamber of Commerce before the summer recess will be held Monday, June 1. No regular meetings of the Chamber are held in July and August.

W. I. Bullard, who represented the local Chamber at the annual meeting of the United States Chamber of Commerce at Atlantic City three weeks ago, will be the speaker. His subject will be "Business—Yesterday and Tomorrow."

In his talk Mr. Bullard will touch on matters of interest to Wilmette business men—matters that directly affect their business. His talk also will include a report on the annual convention of the national Chamber.

Mr. Bullard is widely known throughout the country for his activities in the interest of aviation and for his ability as a speaker. He is also well known in banking circles, being vice-president of the Central Trust Company of Illinois.

At present Mr. Bullard is chairman of the aviation committee of the United States Chamber of Commerce. He was formerly a director of that organization, and was at one time president of the Boston Chamber of Commerce.

Officials of the Wilmette Chamber of Commerce have been trying to secure Mr. Bullard to speak before the local business men for several months, and consider themselves fortunate in completing the arrangements for his appearance at the Chamber meeting June 1. A large attendance is expected.

## Two Scouts of Troop 12 Pass Tenderfoot Tests

Vista del Lago Troop 12 held their Board of Review last Monday. There were two Scouts who passed their Tenderfoot tests. They then played games outside. When it got dark the Scouts went in to have some drilling. When they got through drilling they talked about how many Scouts would pass tests at the next meeting. There were five Scouts getting ready. —Troop reporter, John Gleason, Troop 12.
