

WILMETTE BATHING BEACH

WILMETTE PARK DISTRICT

Season 1931

Wilmette, Illinois
May 25, 1931

To the People of Wilmette:

The Wilmette Park District will operate the bathing beach at the foot of Lake Avenue this season as heretofore.

Sand accretions during the winter months have greatly enlarged the beach, which is without doubt one of the finest on Lake Michigan.

It is the earnest desire of the Board of Commissioners to reserve this recreation spot insofar as possible for the use of the residents of Wilmette.

For that purpose and to cover the operating cost, the usual fee of \$5.00 will be charged. A season ticket will be issued upon payment, entitling the holder, his family and guests to use the facilities for the season. Reasonable discretion is expected in the entertainment of guests by ticket holders.

Privileges will not be accorded to more than one family in the use of a ticket. Strict observance of this rule will be enforced. The Board reserves the right to cancel the privileges of the beach under any ticket used wrongfully by any others than those entitled.

Those not having season tickets will be charged an admission fee of \$1.00 on Saturday, Sunday and holidays, all other days 50c.

It is aimed to conduct Wilmette Beach in an orderly manner for the convenience and pleasure of the citizens, and particularly for the children of the community. To that end we ask your cooperation in supporting the rules of the beach. The enforcement of these rules is under the direction of the beach master and police officers on duty.
