## Wins New Honor

Announcement has just come to Wilmette that Samuel Thaviu, violinist, son of the A. F. Thavius of 338 Washington avenue, last week won first place in the contest in San Francisco sponsored by the National Music society. He also is the recipient of a five-hundred dollar award.

### SORORITY MEETS

The North Shore Alumnae chapter of Alpha Xi Delta held its last meeting of the summer season last week Wednesday at the home of Mrs. Basil Church, 501 Washington avenue, Glencoe. There was a luncheon meeting and bridge in the afternoon.

Dr. and Mrs. James A. Burrill, Miss Jane Burrill, and Mr. and Mrs. Dan Burrill motored to Ann Arbor from Wilmette to attend Dan's graduation from the University of Michigan on June 22. They left Wilmette Sunday.

## No Afternoon Mail at Postoffice for Saturday Callers

Patrons of the Wilmette postoffice who are on the regular mail routes and who have been in the habit of calling for their mail Saturday afternoons after the carriers have left on their morning trip will be unable to get their mail in this way after July 1, Postmaster Joseph E. Shantz announced this week.

At the last session of Congress an act was passed known as the "Shorter Work Week Law" providing for a shorter work week for postal employees, the hours of service being reduced from forty-eight to forty-four hours. It is the purpose of this new law, Postmaster Shantz states, to grant a shorter work week to the employees by restricting their work to four hours on Saturday.

Because of the fact that there is no afternoon delivery on Saturdays, it has been the custom of the Wilmette postoffice in the past to accommodate its patrons by permitting them to call for mail which arrived after the departure of carriers on their morning trip. After July 1 the postoffice will be unable to grant this privilege, Postmaster Shantz states, as no mail will be cased by carriers after their return from the morning delivery.

Postmaster Shantz also announced this week that after June 30 contract station No. 1, located in the Ridge Avenue pharmacy will be discontinued. After that date it will be necessary for persons who have been transacting postal business there to come to the Wilmette postoffice.

These changes are in accordance with a general program of economy on the part of the federal government.

Mrs. Robert Calvert and her children, of 1526 Highland avenue, left Wilmette Friday, June 19, for their farm on the eastern shore of Maryland. Later on they will join Mr. Calvert in New York, where they will make their home.
