Cecele B. Hoffman Weds Earl E. Ashen

The marriage of Miss Cecele B. Hoffman, daughter of Mrs. Catherine Hoffman of Wilmette, to Earl E. Ashen of Ottumwa, Iowa, was solemnized June 6, at 9 o'clock in the morning at St. Mary's church in Evanston. Immediately following the ceremony the reception was held at the home of Mrs. Hoffman.

The bride was dressed in white lace and satin. Her bouquet consisted of white roses and lilies of the valley.

Miss Vera Hoffman was maid of honor and Myron Luckey of Blue Island served as best man.

Mr. Ashen and his bride spent their honeymoon traveling through Missouri and Iowa and are now residing in Evanston.

IN RECITAL JUNE 30

Pupils of Winnifred Townsend Cree will present a program of solo and ensemble at her home, 797 Foxdale avenue, Winnetka, Tuesday, June 30, at 8 o'clock. Mrs. Marian Cotton will present the medals. Anyone interested in hearing the recital is invited to attend.

Free Classes in Swimming Begin Here Next Monday

Free swimming classes for children conducted annually at the Wilmette beach by the members of the Playground and Recreation staff will begin next Monday afternoon at 2 o'clock.

An average of 200 children received instruction in the classes each day last summer, which had a record attendance of any year since the class system was instituted. Dudley C. Stone and Miss Joe Skidmore of the Playground and Recreation board staff will be in charge of the classes this year, having also served as teachers of the groups for the previous two years.

In addition to the classes, a point system will be maintained for the experienced swimmers who may compete for points toward a gold medal to be awarded at the end of the season. Beach days with races and novelty events have been used for this point system in years past but have been discarded this summer in favor of distance swims.

Three days each week will be used for the classes for children of all ticket holders at the beach but two days each week will be devoted exclusively to children on the playgrounds, who will attend the beach in a body. Tuesday afternoon will be reserved for Vattman park children and Thursday for Village Green and Central playground children. Through the courtesy of the Park department the playground children will be admitted free on the days set aside for them and the regular playground program will be enforced at the Beach.

Two afternoon classes for women will be conducted throughout the summer on Tuesday and Thursday afternoons, respectively. The classes will meet at 4 o'clock and will last one hour. Admission to the classes is free to all beach ticket holders.

AT LINCOLN CELEBRATION

Mr. and Mrs. Harper E. Osborn and their sons, Harold and Philip, of 715 Linden avenue, enjoyed a pleasant automobile trip to Springfield for the rededication of the Lincoln monument on June 17. Through the courtesy of Gov. Louis Emmerson they had reserved seats near the speakers' stand and enjoyed hearing President Herbert Hoover and the other speakers. Harold obtained a number of snapshots of the president and Mrs. Hoover. In the morning they attended the joint meeting of the legislature.

REOPENS PUTTING COURSE

Howard West, 916 Greenleaf avenue, has returned from his studies at the University of Illinois and is again conducting his putting course on "No Man's Land" just south of the Teatro del Lago. The course was the scene of several interesting tournaments last season.

Mrs. C. J. Nylund of 1634 Forest avenue has been entertaining recently in her home. Last Saturday the Elmer Janssens of Park Ridge and the Edward Janssens of Chicago were her guests and on Tuesday she was hostess at a luncheon for Mrs. T. F. Grafton of Glen Ellyn and Mrs. Eugene Jones of Chicago.

Joseph Turck, son of Mr. and Mrs. Joseph A. V. Turck, 522 Linden avenue, Wilmette, has been appointed to the business staff of the Daily Illini for the ensuing school year at the University of Illinois. He will be credit manager.
