## **Christian Science Churches**

"Is the Universe Including Man, Evolved by Atomic Force?" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, June 21.

The golden text was, "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it" (Eccl. 3:14).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God" (Romans 13:1).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit is the life, substance, and continuity of all things. We tread on forces. Withdraw them, and creation must collapse. Human knowledge calls them forces of matter; but divine Science declares that they belong wholly to divine Mind, are inherent in this Mind, and so restores them to their rightful home and classification" (p. 124).

## **Former Wilmette Man Gets High Rail Post**

Charles C. Cameron of Chicago, who was a resident of Wilmette for many years, has been promoted to the position of general traffic manager of the Illinois Central railway, a newly created post with the company. Mr. Cameron had been freight traffic manager for several years.

It was thirty-seven years ago when Mr. Cameron began with the Illinois Central as a clerk in the general freight office at New Orleans.

Mr. Cameron was prominent in Wilmette masonic circles, having been master of Wilmette Lodge 931, A. F. and A. M., several years ago.

## **Mt. Prospect Wins From Pioneers, 7-6**

The Pioneers were victims of revenge, hits and errors on Sunday when the Mt. Prospect nine invaded Wilmette and eked out a 7-6 victory. In winning this game, Mt. Prospect avenged a 14-inning setback which its team had received recently at the hands of the Pioneers.

Although the Pioneers collected twelve hits to Mt. Prospect's five, errors were enough to spell defeat for the locals. A few of the Pioneers' stars were absent Sunday, and the defense suffered accordingly.

Four blows and several errors gave Mt. Prospect six tallies in the first two innings. After this splurge, Phil Seghi, star Northwestern twirler, pitched for the locals and restricted the visiting sluggers to one hit. However, Mt. Prospect was able to score the winning run in the last inning.

The Pioneers knotted the count in the seventh inning on hits by Ed Schuett, Art Loggi and Fred Krase. Ed Schuett also collected two other hits and started at third to carry away the honors. Bud Schuett was spiked in this game and will probably be out of the lineup for some time.

The Pioneers are hitting the ball at a .333 average, and the leading swatters, H. Schlueter, Ed Schuett and Fred Krase all have an average over .400.

Next Sunday the Pioneers travel to Lake Zurich to encounter that nine.
