### Red Cross Plans 50th Anniversary Roll Call

The American Red Cross will hold its Fiftieth Anniversary Roll Call, to enroll members for 1932, from Armistice Day to Thanksgiving, November 11 to 26. As the recognized and official agency of the American people for extending service to humanity, the American Red Cross is desirous that it be even more representative in its membership. Although the American Red Cross now has on its rolls more than 4,100,000 adults

and 7,000,000 Juniors, the organization believes that this figure, large as it is, does not truly reflect the confidence and support which the people have in their Red Cross.

#### ABOUT PAINTED TURTLES

A pamphlet on "The Painted Turtles of the Genus Chrysemys" has just been published in the series of zoological works issued by Field Museum of Natural History. Sherman C. Bishop and F. J. W. Schmidt collaborated in the research work upon which it is based, and in the authorship of it.

## A CLEANING SERVICE

# For Vacation Days

Glorious days out-of-doors, tanned by the sun, caressed by gentle winds and blue waters—it's a great life.

However, in order to enjoy your vacation to the fullest you must have plenty of clean, crisp clothes.

Send us your knickers, sweaters, sport frocks, summer formals, and flannels, all the garments that rendered faithful service last year and our professional tailors will put new pep and life into them, save you the price of new ones and add to the joys of your vacation.

*During July and August our shop closes at noon on Saturday. Garments wanted for Saturday delivery should be arranged for accordingly.*

### Christian Science Churches

"God" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, July 5.

The golden text was, "God is the Lord, which hath shewed us light" (Psalms 118:27).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Great is the Lord, and greatly to be praised; and his greatness is unsearchable. One generation shall praise thy works to another, and shall declare thy mighty acts. Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations" (Psalms 145:3, 4, 13).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science" (p. 469-470).

### Baseball Fans Yelled Even in 19th Century

They were just as keen about baseball sixty years ago and a slide to base brought the same yell of glee as it does today. Perhaps, though, they did not have the same inspirational leadership as is displayed by the present manager of the Cubs who is also noted as being a strict disciplinarian.

Only a baseball fan would write the following letter which is carefully preserved at the Chicago Historical society. The ghosts of those players surely must claim they were underpaid when they compare their salaries with those of today.

"G. M. M.:  
"Chicago, Oct. 8th, 1871.  
"I have received several letters from you lately but you have been skirmishing around so much that I didn't know where to write. We have been awful busy this fall. Broom corn has just been a-rushing and the Burlington warehouse burned down last Saturday, which, of course, gives us a great deal more to do. 'It's an ill wind,' etc. A week ago Tuesday the 'Athletics' made their appearance at the Lake Shore ball park and played a game with the 'Aetnas.' We hadn't played a game before since last April, while the Aetnas have played forty-odd games. We fairly surprised ourselves and everyone else; they beat us 14 to 6. We made but four errors and the Aetnas five. The Aetnas are down east. They beat the Experts and Olympics of Philadelphia, but got laid out by the stars of Brooklyn yesterday 22 to 4. The 'Chicagos' play the Haymakers here this week Thursday and Saturday; there is going to be an awful rush. Next year the Chicagos are a-going to have a new nine which is to cost \$25,000. Allison, catcher, \$2,500. Zittlein, pitcher, \$2,000 and board. Mills, first base, \$2,000. Wood, second base, \$2,500. Force, short-stop, \$2,100. Megeany, \$2,500, third base and catcher. Treany, left field, \$1,600. Cuthbert, center field, \$1,650. Nelson, right field, \$2,000. Martin, slow pitcher, \$2,000. Hodes, out., \$1,500. Pinkham, change pitcher, \$1,500. Treany and Cuthbert get the use of the refreshment stand in the park free. N. Young, manager, \$2,000.  
"Martines opened about two weeks ago. I did not go. I was to McVickers last week; it is just old persimmons, the nobbiest theater out. The Opera House opens tomorrow night after having \$80,000 worth of repairs. I suppose it will knock McVickers. We are having nice warm weather just now. Tom Kimyon is driving a fire engine, quite high toned.

"As before,  
"C. Stambaugh."

### CHRISTIAN SCIENCE SERVICES

"Sacrament" will be the subject at the services in the First Church of Christ, Scientist, in Wilmette Sunday morning, July 12, at 11 o'clock. Sunday school convenes at 9:45.
