

Double Setback Fails to Daunt Wilmette Team

Although playing some expert baseball, Wilmette suffered a bad weekend, yielding on Saturday to the Evanston News-Index team by a score of 10 to 5 at Mason Park, and dropping a game on Sunday to the Clowns 4 to 13 at the Village Green.

Wilmette will engage Rogers Park at the Village Green next Sunday.

Schmidt, who pitched the Evanston game for Wilmette, was hit hard. Monte Rudolph, Bob Burmeister and Carl Liefe, former Wilmette players, nipped him for a total of four home runs, Burmeister getting two of them. Evanston also made two 2-baggers and one 3-base hit.

Wilson Connects With Ball

Wilson of Wilmette clouted the ball for a long ride, but he was deprived of a home run by a ground rule that allowed him only two bases.

The size of the Mason Park field bothered the Wilmette players who are used to the more spacious Village Green. Had the game been played at the Village Green, some of the fans declared, many of Evanston's extra-base hits would have been easy outs. The score, it is said, does not give any indication of the comparative merits of both teams which will play again on Labor day.

On Sunday at the Village Green, the Clowns showed why they are rated as one of the strongest semi-pro teams in the country. These players frequently shed their circus outfits and then star on the diamond as the Chicago Firemen.

Luke Johnsos Hurls, Hits

Tired from their efforts on Saturday, Wilmette played loosely. Luke Johnsos, former Northwestern grid, cage and diamond star and now of the Chicago Bears, who has joined the Wilmette team for the remainder of the season, twirled against the Clowns. Johnsos was a little wild and was also hit hard. But he is expected to turn in many good games for Wilmette and to help win these tilts by his pitching and hitting ability. Against the Clowns, Luke Johnsos secured a home run and two bingles last Sunday. Baker made two hits, and Bill Dugdale swatted a two-bagger. Bill also went clear back to the clubhouse in the sixth, making a hard running catch of Dorsey's long fly which looked as though it were going to be a homer.
