Christian Science Churches

"Spirit" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, August 9.

The golden text was, "If we live in the Spirit, let us also walk in the Spirit" (Galatians 5:25).

Among the citations which comprised the lesson-sermon was the following from the Bible: "But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit" (I Cor. 2:9, 10).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When we wait patiently on God and seek Truth righteously, He directs our path" (p. 254).
