

## Two Injured in Auto Crash at Wilmette Corner

Two young women were injured in an automobile accident at Fifth street and Lake avenue, Wilmette, Sunday morning at about 1:25 o'clock when cars driven by Arnold Bakkeno, 1031 Willow road, Winnetka, and Evald Sorne, 3366 N. Clark street, Chicago, collided.

Bakkeno was driving east on Lake avenue and Sorne was going north on Fifth street when the accident occurred. Sorne later signed a complaint against Bakkeno, charging him with driving through a stop sign.

The two young women hurt were Miss Eva Zozelish, 18, of 378 Adams street, Glencoe, who suffered cuts on one knee and one wrist, and Miss Edith Berthold, 18, of the same address, who was taken to the Evanston hospital. Six stitches were taken in her forehead above the right eye.

Both girls were riding in Bakkeno's car. Bakkeno and Victor Luensman, who also was riding with him, were not hurt.

With Sorne in his car was Miss Anna Larson, 753 Howard street, Chicago. Neither was hurt. Miss Larson disappeared after the accident, according to the Wilmette police report.

Bakkeno's case is to come up before Magistrate E. A. Pettibone in Wilmette next Monday afternoon at 2 o'clock.

The Bakkeno-Sorne crash was one of seven automobile accidents in Wilmette in the week ending Tuesday, August 11. Injuries to occupants of the cars resulted in three of the seven accidents.

# Men's Shirts

**\$1.95    3 for \$5**

For months men have been asking us for shirts. "If Chandler's sold shirts, we know they'd be properly man-tailored shirts — and that kind isn't easy to get!"—we heard it again and again.

So we've done it! An American shirtmaker who acknowledges no equal in this country makes these shirts especially for us in Evanston. They're cut to fit—full enough for freedom, but without too much bulk anywhere. The collars lie flat. The sleeves come up well on the shoulders and feel as though they'd been tailored to your measure.

**We're pretty proud of these shirts. We'd like you to know why!**
