

Win Chartered Life Underwriter Honors

Hector Dodds of Wilmette and F. J. Budinger of Evanston, formerly of Wilmette, are among the 166 life insurance men of the nation who have received certificates for successfully passing the stringent examinations for the Chartered Life Underwriter designation.

The American College of Life Underwriters, which makes these awards, was established by outstanding leaders in the life insurance vocation for the three-fold purpose of (1) encouraging and fostering training of students in educational institutions for the career of professional life underwriter, (2) cooperating with educational institutions in general life insurance education, and (3) recognizing properly qualified life underwriters with a professional designation.

Both Mr. Dodds and Mr. Budinger are well known on the north shore. Mr. Dodds is connected with the Northwestern Mutual Life Insurance company, with offices in Evanston. Mr. Budinger is connected with the Franklin Life Insurance company of Chicago.

The Chicago chapter of Chartered Life underwriters, of which these two men are now members, will hold a meeting in September to welcome the new C. L. U's.
