Wilmette Library Circulation Grows

Thirteen thousand books were circulated at the Wilmette Public library last month. This was the largest number of books ever taken out of the library in a single month, according to Miss Ane L. Whitmack, librarian.

The children are doing a great deal of reading, Miss Whitmack states. Adults, too, are reading more than usual, especially in history and economics. Last month's non-fiction reading showed a growth of twenty-five percent over January of last year, Miss Whitmack reports. Periodicals are being circulated more than ever before.

Saturday, January 9, set a new high peak for a single day's circulation at the Wilmette library. A total of 644 books was borrowed that day.

Miss Whitmack attributes the increase in reading to the depression. People have more time to read, either because they are out of work or have no money to spend for amusements.

Miss Jean Marx has returned to Kenilworth from a week's visit with friends in Boston.

SCOUTS COLLECT PAPER SATURDAY

Make Third Monthly Canvass
of Households; Proceeds Go
to Emergency Relief

Boy Scouts of the North Shore Area council, consisting of the towns from Wilmette to Lake Forest on the shore and from Glenview to Libertyville on the west north shore, will respond to a mobilization call from their commissioners and Scoutmasters Saturday, February 13, as part of their celebration of Scouting's 22nd birthday week.

At 8 o'clock this Saturday morning the leaders will call the Scouts to assemble in their respective districts and immediately check their organization for the third monthly old paper and magazine collection.

The Scouts will spend the morning in a house-to-house canvass for the papers, and in the afternoon trucks donated by local business concerns will collect the paper placed on the parkways by the Scouts. The money from the sale of this paper goes 100 percent to the local relief organizations. Already about \$1,800 has been earned by Scouts in their first two collections in December and January. Wilmette recently turned over a \$228 check and Northbrook an \$81 check to their local relief funds. About 200 tons of paper have been collected so far, and is rapidly being delivered and sold.

The volunteer district commissioner in each of the eleven districts is in direct charge of the mobilization and paper collection. Those in New Trier are: Wilmette—Fred S. Rye, Kenilworth—Roy Jarrett, Winnetka—R. B. Brown, Glencoe—Keith Roberts.

For Her Valentine... FLOWERS

Lovely Flowers — a plant or cut flowers or a handsome corsage — breathe forth a language all their own — the language of Sentiment. Indeed Flowers are always THE appropriate Valentine gift — In our greenhouses are fresh and lovely flowers — a gift that SHE will receive with rapture.
