Dr. E. N. Schoolman to Address Men's Group

Dr. Edward N. Schoolman, Chicago physician and psychiatrist, will be the speaker at the last of this season's meetings of the North Shore Congregation Israel Men's club Thursday, March 17, at 7 o'clock, at the Temple, Lincoln and Vernon avenues, Glencoe. Dr. Schoolman's subject will be: "Sigmund Freud, the Darwin of Psychology." This will be a dinner meeting.

Dr. Schoolman is characterized as a brilliant lecturer and debater. His listeners it is said, will find an intense desire to gain from him some workable knowledge that will aid them in the business of living. "His is a fresh and sparkling humanness that looks at life searchingly and fearlessly—that treats it wholesomely and constructively" reads a comment. "In lecture or debate, he is always a physician intent upon healing the ills of mankind—always a builder, laying the foundation for a new and better civilization."

There will also be an election of officers and directors for the ensuing year that evening.

Large Audience Sees New Pastor Installed

Dr. Roy Catlin, president of the Illinois Synod of the United Lutheran Church in America, formally installed the Rev. David R. Kabele as pastor at the English Lutheran church Sunday, March 6.

Dr. Catlin's sermon on "The Eleventh Commandment" set forth the need of renewed religion in the world today.

A large audience which filled the auditorium attended, a number coming from other north shore suburbs. A delegation of young men came in a body from the Chicago Bible school which Rev. Kabele left in order to become pastor of the church.

Omit Collection of Old Paper in March

Boy Scout paper collection to earn money for relief, which has been conducted monthly for the last three months will not be held during March, it is announced, because of the many other activities of the council. Further collections are to be held in April and in June. Residents of the community have been urged to continue to save discarded papers for the Scouts until the next collection on April 9. The Scouts already have earned about \$2,500 in their collections. This money has been turned over to local relief and has been greatly appreciated by the communities receiving these funds.

Need Volunteers to Collect for Starving People

By Rebecca Fitch

Miss Betsy Shapker, Wilmette chairman for the "Pioneer Meal Project," reports that progress is being made in Wilmette toward helping the starving people in Cook county. The collections in Wilmette last week totalled \$79.20, which came from three precincts only, and a larger amount is expected this week because more precincts are organized and working.

If any housewife is wondering why a collector has not called on her, says Miss Shapker, it is because the precinct captain has not been able to get a block collector in that block, and perhaps she could assist the precinct captain by being the collector in her neighborhood. Miss Shapker, whose phone is Wilmette 1068, will be very glad to hear from anyone who is interested and willing to help in the collecting in Wilmette.

The recent stretch of unusually cold weather made it doubly important that every effort be made to share with these unfortunate people. Remember that the money collected for this fund goes exclusively for food. Surely those of us who are fortunate enough never to have known prolonged hunger, can share by giving a small amount of money to help the 400,000 people in Cook county who are actually starving.

Mrs. J. C. Blaylock, 1202 Lake avenue, is the captain for Precinct 1; Mrs. Albert Hall, 1023 Greenwood avenue, Precinct 2; Mrs. George A. Maclean, 924 Greenwood avenue, Precinct 3; Mrs. S. Adolph Sundlof, 1533 Greenwood avenue, and Mrs. Charles E. Soden, 1716 Highland avenue, co-captains for Precinct 9 in Wilmette. These precincts are the same as the voting precincts, and people in the above precincts, who are interested and willing to help in this project, are asked to get in touch with the captains.

Checks to this fund should be made out to the Women's Division, Joint Emergency Relief fund.
