Like a Fine Residence

ALL the qualities necessary to make a real home are found in our establishment. In appearance, in furnishings, and in accessories, we have a home—like a residence of the finer type. And these features, we believe, make our funeral home a real temporary home in time of need.

Anyone who so desires may make use of this funeral home. It was created for the use of those we serve.

One Thing - -

that the Wilmette mother can do is to heat the home healthfully and so comfortably with Koppers Coke or Pocahontas Coal from the Wilmette Coal & Material Yard as to bring sweet contentment to her family. Dad finds particular contentment at getting such real and full value for his fuel-dollars.
