

'MEAL' FUND GROWS

Urge More Wilmette Households to Join Movement to Feed Hungry; Boy Scouts Help in Drive

By Rebecca Fitch

Wilmette's contributions to the "Pioneer Meal" fund last week totalled \$126 in spite of the difficulties of making the collections, due to the adverse weather conditions. Including last week's \$126 the total amount which Wilmette has given to the fund is \$736.76, being the collections of the first four weeks of this campaign. The project will continue for ten weeks, or through April and the first week in May. The last collection will be made Monday, May 9.

The Boy Scouts of Wilmette are very generously helping to make the collections in this village. The Scouts doing this are Hall Clark, assisting Mrs. J. C. Blaylock in Precinct 1; Jack Jacobi, Van McQuide and Howard Moulding, helping Mrs. Albert Hall in Precinct 2; Billy Crawford, Edward Hess, Bob Kreusch and Lawrence Tracey, assisting Mrs. Paul Roche in Precinct 4; Arthur Flood and Harold Huebner, helping Mrs. F. D. Shane in Precinct 5; Herbert Meyer and Raymond Patterson, assisting Mrs. R. D. Oilar in Precinct 8; James Anderson and Dick Curry, helping Mrs. A. Sundlof in Precinct 9; Jack and Frank Randall and Donald and Lionel Toeppen, assisting Mrs. R. W. Drucker in Indian Hill Estates.

This project, as everyone should know by now, is to serve one "Pioneer Meal" a week and to contribute the difference in the cost of this meal and the usual meal to the "Pioneer Meal" fund which money is used only for food to be given to the nearly half million people in Cook county who face starvation.

The contributions to this fund do not have to be large; the envelopes collected contain amounts from ten cents to two or three dollars. Under these circumstances every family in Wilmette could share in this project. If, however, only three-quarters of the homes in Wilmette contributed, the amount from Wilmette would make a much more creditable showing in comparison with amounts from other suburbs.

Many housewives have figured their savings for the ten weeks and sent in the total amount. Checks should be made out Women's Division, Joint Emergency Relief fund, and sent to the Wilmette chairman, Miss Betty Shapker, 823 Central avenue.

Ned Kelley, son of Mr. and Mrs. Edward F. Kelley, 1100 Elmwood avenue, is home for the spring holidays from Notre Dame.

A CORRECTION

An article appearing in last week's issue of WILMETTE LIFE bearing the headline "North Shore Wages Battle to Preserve Safety, Beauty," was erroneously attributed to the Hubbard Woods Improvement association. The article was written and submitted by a resident of Winnetka who is actively interested in the project to retain Hubbard Hill and Ravine in its present natural state and to have Federal and State highway routes removed from Sheridan road and re-located west of the north shore villages. The article was not submitted by the Improvement association, which, however, has taken the initiative in the movement to retain the natural beauty of the Hubbard Hill and Ravine. Wilmette Life regrets the error.

Greet Many Visitors at Baha'i Temple Here

Many visitors daily have been inspecting the Baha'i temple at Linden avenue and Sheridan road, Wilmette, since the main structural body was completed last May, and inquiring about its religious purposes, it is stated in a report issued by the National Assembly. Among those who have shown greatest interest in the Baha'i house of worship, according to this statement, "are college classes from nearby universities, and study groups from women's clubs numbering in one case over three hundred.
