

Winnetkan Will Play on Olympic Football Squad

Pierre Bouscaren of Winnetka, a senior at Yale university and right tackle on the Yale football team during the 1931 season, has been invited to take part in the Olympic games at Los Angeles this year as a member of a team representing the eastern universities which will meet a team representing the western schools in a game that will demonstrate football as it is played in America.

It is the privilege of the country which acts as host to the nations of the world on the occasion of the Olympic games to demonstrate to the assembled athletes, officials and spectators from the many countries, one of its leading national sports. American football has been accorded this honor for the Games of the Tenth Olympiad.

Players representing a group of universities of the east have been asked to participate in this game with players representing a group of universities of the west. The institutions thus approached have given official approval.

The game will be played August 10, 1932, in the Olympic stadium at Los Angeles. Those who are chosen to participate in this demonstration of American football will be accorded full privileges and standing of regular members of the American Olympic team.

Bouscaren, the Winnetka youth accorded this honor, is the son of Mr. and Mrs. L. H. G. Bouscaren, 646 Prospect avenue. He is a graduate of the North Shore Country Day school and has been on the Yale football team for two years. He is six feet tall and weighs 215 pounds. During his sophomore years he was wrestling champion of the university.

Besides his athletic prowess, Bouscaren boasts a scholastic average of 85. He is on the dean's list with the privilege of unlimited "cuts" from classes. He is a member of the Yale Dramatic association, and recently appeared in the production, "Julius Caesar." He is a member of Beta Theta Pi fraternity.

Mr. Bouscaren is now spending the spring vacation with his parents in Winnetka.

Christian Science Churches

"Reality" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, March 27.

The golden text was, "Since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him" (Isaiah 64:4).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, if there be any praise, think on these things" (Philippians 4:8).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Life, Truth, and Love are the realities of divine Science. They dawn in faith and glow full-orbed in spiritual understanding" (p. 298).

Sue Carpenter, 239 Essex road, Kenilworth, has returned from Miss Madiera's school for her Easter vacation.

Eastman Gets Role in Uptown Players' Drama

As a result of several tryouts held by the Uptown Players of Chicago, Charles J. Eastman of Winnetka has been chosen by that organization to act the part of "Inspector Kane" in the production "Interference," to be given in their theater at Lawrence avenue and Sheridan road, April 12, 13 and 14. Mr. Eastman is well known in north shore dramatic circles, having been a featured player for ten years with the Circuit theater as well as with the Winnetka Drama club and other organizations.

HOME FROM RESORT

Robert O. Berger, 306 Kenilworth avenue, and his children have returned from French Lick Springs, Ind., where they spent several days last week. He went with Miss Eleanor Berger, Robert, Jr., and his other daughter, Mrs. Charles Henry Gibson, and her husband of Evanston.

America's Health Resort HOT SPRINGS

NATIONAL PARK
ARKANSAS

INTERNATIONALLY FAMOUS MAJESTIC HOTEL BATH HOUSE AND APARTMENTS

The world renowned Hot Springs of Arkansas, 46 in number, have for ages brought relief to countless thousands. Wishing to preserve these waters for the benefit of the public for all time, the U.S. Government set aside over 900 acres embracing the Hot Springs and surrounding mountains from which they gush, creating Hot Springs National Park, the first government owned health and pleasure resort established in North America.

The Majestic offers a wide choice of accommodations from single rooms, with or without bath, to beautifully furnished 2, 3, and 4 room apartments, assuring maximum comfort amid attractive surroundings. Rates are surprisingly moderate. Two restaurants serve excellent food.
