

Logan-Howard P. T. A.

This week is to be of special interest to members and friends of the Logan-Howard Parent-Teacher association. On Tuesday afternoon, April 5, the monthly meeting will be held at the Howard school auditorium. Members are awaiting with keen interest the report of the nominating committee to be given at this time, for much of the success of the association lies in the leadership. A program of varied interest has been prepared, in which pupils of the schools will play an important part. The orchestra, under the direction of Katherine Wagner, is to make its first appearance of the year, and sketches explaining the thrift and health programs of the school, will be given by the pupils. Mrs. A. W. Dilling, who has become known to us through her articles in WILMETTE LIFE, will speak on "Communism." Mrs. Dilling, who is a woman of much personal interest and charm, is well informed on the Russian situation, for she gathers her material from no secondary sources, but from a trip to the Soviet Republic last year.

Mothers of first grade children will assist Mrs. Skog and Mrs. Hoffman during the social hour.

On Friday evening, April 8, at 8:15 o'clock, artists from WLS radio station "go on the air" in a program of unusual merit. Besides the Maple City Four and Three Little Maids, whose pictures appear in this issue of WILMETTE LIFE, the Cumberland Ridge Runners and Hugh Cross will appear as entertainers. Bill Vickland, dramatic reader of WLS, is to be the official announcer. He will be remembered as the Abraham Lincoln of the patriotic program broadcast during February. Mr. Vickland also conducts the "Little Brown Church" and the "Book Shop" programs, two WLS features of popular appeal.

Tickets for this unique personal appearance entertainment may be secured by calling Mrs. T. V. Smith, Wilmette 3208, or Mrs. S. Van Inwagen, Wilmette 374.

Mrs. R. B. DeVinny, treasurer for the association, has announced that \$245.32 has been spent during the year on child welfare work among the school children. The greatest amount has gone into dental clinics, and \$50 more will be paid during April and early May. Books, glasses and tonsilectomies are also items included. Besides this amount, the association has put money back into the schools in the form of Junior Police equipment, pictures, and picture slides, and has given donations to various funds raised in the village. An association with this sort of accomplishment is worthy of every parent's membership and whole-hearted support.

ANNOUNCE FEDERAL EXAM

The United States Civil Service commission has announced that until April 19 it will accept applications for the position of guard-attendant in the Medical Hygiene division of the United States Public Health service, for duty at Federal prisons throughout the United States. Full information may be obtained from Jennie D. Shantz, secretary of the United States Civil Service board of examiners at the Wilmette postoffice.

Mr. and Mrs. George R. Widger, Frank Widger, Frank, Jr. and Miss Bobbie Widger, of Wilmette, spent Saster Sunday with Bobbie's grandparents, Mr. and Mrs. William Fullan, in San Pierre, Ind.

Mrs. Warren A. Clohisy, 121 Dupee place, was hostess yesterday to members of her luncheon bridge club.

Campers' Reunion to Be Next Sunday

Next Sunday, April 3, scouts and their dads from all over the North Shore Area council will gather at the Cabin-in-the-Woods, west of Glen-coe, for the annual Camp Ma-Ka-Ja-Wan reunion. The Order of the Arrow, the honor campers' brotherhood, will be in charge of the entire affair and an excellent program is being prepared by the president of the order, Peter White of Ravinia.

The reunion will open Sunday afternoon at 4 o'clock and continue until 6. A twenty-cent lunch will be served toward the end of the program. Every scout, whether or not he has ever been to camp, is urged to attend the reunion and bring his dad.

"You are bound to have a good time and enjoy the fellowship of dads and lads in this outdoor program," is the word from the Order of the Arrow.

Harold Keith, 310 Warwick road, Kenilworth, left last Saturday for Boulder to re-enter the University of Colorado.
