Lecture-Recitals to Be Given in Glencoe

A series of Monday morning lecture-recitals on opera will be given this summer by Rutheda L. Pretzel at her home, 1035 Bluff road, Glencoe.

The first of the course is to be given on June 27, at 10:30 o'clock in the morning, on Puccini's opera, "La Boheme." Miss Pretzel will dramatize the story, tying it up to all of the principal and secondary themes, giving a coherent and complete idea of both story and music. She will be assisted by a soprano and baritone.

The lecture-recitals are open to all, and a small admission fee is to be charged at the door, it is explained.

Christian Science Churches

"God the Preserver of Man" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, June 12.

The golden text was, "Thy righteousness is like the great mountains: thy judgements are a great deep: O Lord, thou preservest man and beast" (Psalms 36:6).

Among the citations which comprised the lesson-sermon was the following from the Bible: "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler" (Psalms 91:1, 4).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering" (p. 387).

The Edward W. Green house, 312 Leicester road, Kenilworth, is rented for the summer to Mr. and Mrs. G. W. Stafford of Glencoe, who have one son.

Wednesday of last week, Mrs. Kingsley B. Colton, 354 Kenilworth avenue, Kenilworth, entertained at a buffet luncheon and bridge.

New Kind of Enamel Is Offered at Store Opened in Evanston

Nu-Enamel company, 622 Davis street, Evanston, brings to the north shore a specialty shop offering products of unusual quality. It is the first store of a management that has the exclusive agency, from Chicago to the Wisconsin boundary line, of Nu-Enamel and Minwax products. The new store, managed by C. E. Davis of Evanston, opened last week.

Manufactured under an exclusive process and containing raw oils from the Tung trees of China, elastic gum serums from forests of India, Nu-Enamel is claimed to be the most durable enamel science has ever produced. It is proof against acids, alkali, corrosion, rust, heat, cold, steam, brine and other destructive agencies. It will withstand contraction, expansion and vibration, and will immediately stop decay. Among its hundreds of uses are automobile painting and gas range painting. The enamel withstands heat up to 800 degrees. Nu-Enamel is the product of the Nu-Enamel Paint company, Chicago and Dallas.

Products of the Minwax company, Inc., provide a complete service for waterproofing, damp-proofing, and preserving masonry and woodwork. Included are the Minwax wood finish, quick drying wood finish, concrete floor treatments and brick and cement coating for waterproofing and decorating concrete, brick, stucco and plaster.

Mrs. L. M. Allen, 258 Melrose avenue, Kenilworth, has had as her guests, Mrs. W. L. Allen of Davenport, Iowa, and Mrs. Van Patten, who came from Davenport for the week-end.
