

Capital \$200,000

Surplus \$200,000

To Our Friends and Neighbors

Your Community needs a strong bank, conservatively managed and safely operated. "Your Home Bank" adequately fills this need.

We warmly thank our old depositors for their support and esteem. We wish, also, to thank other old depositors and the many new depositors who have recently opened accounts with us.

We feel there are still many people in this neighborhood who would find it to their advantage to do business with us. We cordially solicit your business.
