

Capital \$200,000

Surplus \$200,000

Important Cogs . . .

Money you put in the bank does not stay idle. It is put to work at once. It is invested safely, thus keeping the wheels of industry in motion. Money in circulation is a boomerang in its manifold returns to you.

Bring Back Prosperity . . .

By depositing your money in this safe bank, you will be doing your part toward the return of prosperity.
