The Woman's society will meet on Thursday afternoon, August 4, at 2 o'clock at the church. Mrs. Scott Smith will present the topic "Young Korea Wants to Know." The young people of the Orient are full of questions. They are seeking eagerly for the answers. Sometimes it is hard for us to answer them because we ourselves are still learners; but we can direct them to Jesus Christ, the Answer to all questions. He will give them the knowledge they need, and His Spirit will guide them into all truth.

In a large city of the East stands a massive granite church. Its huge bronze doors, and costly peal of chimes proclaim the wealth of the attending congregation. Over the entrance chiseled in whitest marble is the inscription, "The gateway to heaven." Underneath this arch you will see hung out in the early days of the summer season a sign reading: "Closed During July, August and September." . . . Is the door of your heart closed to God during the summer months? Keep it open by attending Divine Worship regularly.

Come to the friendly church where the way is made plain.

A captain on board ship should have a clear idea of what port he is to reach before he attempts to lay his course and determine his manner of sailing. May we ask you to choose St. John's church Sunday as your port and enter through Christ as he said, "I am the door; by me if any man enter it, he shall be saved, and shall go in and out and find pasture."

Let us frankly admit that a Christian life has its restrictions, its limitations. It does impose a barrier between the heart and some of its desires; it involves sacrifice, resignation, giving up.

But tell us one thing that you would have to resign if you accepted Christ, and we will tell you that without that thing you would be far purer, happier and better fitted to live than you are today.

If you give it up and enter salvation through Christ the door, you will find that same door open before you to activities that are unspeakably nobler, pleasures that are more satisfying and rewards that are immeasurably richer.

We know that if you enter this port through Christ he will give you new hope, a new inspiration and courage and then send you out again into the world to live and to work with all your energies, for what good things is there that Christ will not let you do if you take him as your master.

Do not change your direction but keep your course clearly before you and be welcomed at the port of happiness.
