Mr. Shepherd was for many years a well known educator, having taught, among other schools, at Columbia university and the University of Wisconsin. He is survived by his sister.

Mr. and Mrs. Herbert L. Lucas, 173 Fuller lane, left Winnetka last Friday for Wisconsin Rapids, Wis. to be the guests of Mr. and Mrs. Walter Mead.

Mr. and Mrs. Edward S. Rogers, 375 Chestnut street, Winnetka have sailed on the S. S. Europa for a summer abroad.

At Vista del Lago

(Continued from Page 11)

Mrs. Harold E. Walter, Mr. and Mrs. W. P. Baker, Mr. and Mrs. Herbert U. Nelson, D. D. McCutcheon, Mr. and Mrs. Howard W. Hodgkins, and Dr. William Hazlett were among the members present and entertaining parties. There was a delightful mingling of the younger and older members of the club.

Family dinner night, Thursday, July 22, two-hundred members of Vista and their friends ate dinner at Vista del Lago club and deserted the beautiful sunset and cooling breezes on the esplanade to view the pictures Frederick White showed. Mr. White has given travel talks at the club before and was enjoyed by the members.

Friday, July 29, there will be a Lido party for juniors. Dinner reservations should be made to precede the dance.

Mrs. Knight Blanchard and Mrs. Roy D. Weilbrenner were hostesses for the seventh bridge luncheon July 25. Mrs. Knight Blanchard had three guests. Mrs. Roy D. Weilbrenner's guests were Mrs. A. M. Denton, Mrs. M. V. Smith, Mrs. E. Kunze. Mrs. Marvin Harms and Mrs. Victor Allen entertained guests. Mrs. Joseph Kuttan was hostess to three friends. Mrs. Marion B. Stahl, Mrs. Frank Kuttan, Mrs. W. Riley Harvey and Mrs. Arnold R. Barr were members making up a table. Summer bridge luncheons will continue during the month of August.

Clark Leach, director of beach activities, has asked all members to register with the beach staff to play volley ball. Teams among members will be organized for competitive playing.

The club is enjoying a delightful fall season and program. It is impossible as yet to sit on the esplanade, in the lounge, or in the embarcadero, to believe that a block away the sun is so terrifically hot. There is activity of all sorts, the playground, where grown members try their skill on the bars, trapeze, the "yard" where you hear the click of the croquet balls, watch the excitement of badminton and the skill of tennis, and always the raft, diving stand, boats, and beautiful Lake Michigan, furnish amusement, diversion and rest for the members and guests.
