

Woman's Club Annual Charity Bridge October 26

Social Affair to Aid Club's Many Philanthropies

"We make a living out of what we get; Out of what we give we make a life."

This is the motto of the philanthropy department of the Woman's club of Wilmette, and one of the ways by which it achieves its purpose, is the annual benefit bridge party.

All of the members of the philanthropy department, of which Mrs. A. E. Klunder is chairman, are working hard to make this party a social as well as a financial success, "so if you are entertaining your bridge club in October," the committee announces, "why not bring them to the philanthropy party on Wednesday, October 26, at 2 o'clock. Your guests will enjoy the refreshments served, and there will be a really desirable prize for each table. Save yourself work and money, and give someone else a lift at the same time."

For those buying single tickets, tables will be made up at the club on the day of the party. Groups of tables will be reserved for private parties and bridge clubs.

Shawnee's Hallowe'en Frolic Is October 29

An old-fashioned Hallowe'en and Harvest Home party is Shawnee Country club's plan for members and their guests Saturday evening, October 29. "This is a party," the club declares on its invitation, "that will appeal to young and old alike—fun and frolic for all. We will take you back to the good old days, when, with the turning of the leaves and harvest done, people devoted a short space to well-earned relaxation and enjoyment; black cats and witches riding in the frosty air—Jack-o'-lanterns, and a yellow moon blinking through the haze."

Dinner will be served from 7:30 until 9:30. Dancing will follow from 9:30 until 1, to music by Hank Leyshon and his Novelty orchestra now playing in the city and broadcasting over CBS network. Old-fashioned games, dances, and guessing contests, will bring just reward, in prizes, for the winners, and, as a special attraction, Baron Georgio Mario Suriani and Mlle. Monette, will make their appearance.

Shawnee Country club will have a party for the children Saturday afternoon at 2:30 o'clock. Mrs. C. Ross Littig of Evanston is in charge.

Bryn Mawr Alumnae Festivity Includes Luncheon, Dinner

All Bryn Mawr alumnae in the district which includes Illinois, Wisconsin, Minnesota, Iowa, Montana, and North and South Dakota, have received invitations from Mrs. John Rice Reilly of Winnetka, councillor of the district, and Mrs. Edwin P. Dewes, president of the Bryn Mawr club of Chicago, to attend the Tenth Annual council of the Alumnae association, to be held November 10, 11, and 12, under the auspices of the Chicago group.

Mrs. William B. Hale of Winnetka has charge of a large luncheon to be held at the Casino, preceding the opening meeting, at which President Marion Edwards Park will address the council, other alumnae of the district, deans of reparatory schools, and interested parents, on some general topic of education.

The following day, November 11, there is to be an all-day session of the council in Winnetka, followed by an alumnae banquet at Indian Hill club, at which President Park will speak intimately on the affairs of the college, the invitation announces. This banquet is in charge of Mrs. William G. Hibbard of Winnetka.

The third day, November 12, there is to be a morning session in Winnetka with, as an interesting feature, a talk from a senior of the college and one from a graduate of last June, bringing the very latest news and modern points of view of the undergraduate body.

As the council has not met in this district for ten years, great stress is being laid on the value and importance of taking advantage of this opportunity. To those coming from a distance, the Winnetka alumnae are extending the hospitality of their homes.

Aside from the opening meeting of the council, which takes place at the Casino, all the council meetings are being held in Winnetka at the home of Mrs. Philip Wyatt Moore, 1031 Fishers lane. The alumnae dinner, as announced above, is to take place at Indian Hill club.

During the three days of the council in Winnetka, many private luncheons and dinners will be given, the most important of which will be that of Mrs. William G. Hibbard of 840 Willow road. She will entertain the evening of November 10, at a dinner in honor of President Park, at which President Robert M. Hutchins of the University of Chicago and Mrs. Hutchins will also be guests.
