

## Pupils at Stolp Hear of Contest for Hand Work

The meeting of the Byron C. Stolp Assembly club on Tuesday, October 18, was called to order by Jack Randall. He was vice-president last year and took charge of the club until the new president, Edward Hess, assumed the responsibility.

The first part of the program was given to the installation of the new officers. Then came the speaker, Mr. Cowels, representing the Fisher Body Craftsmen guild. His message pertained especially to the interests of the boys, but most of the girls also enjoyed hearing about the guild's work for boys in the United States and Canada.

The guild, striving to bring back some of the handwork that has been replaced by the modern machines, is holding a contest in which one must submit a hand-made coach of the design and measurement given by the organization. Out of three thousand members, only fifteen submitted coaches last year, so anyone may be able to win one of the numerous prizes.

The prizes are scholarships and cash, ranging from fifteen to one hundred dollars. The coach of the first-prize winner in last year's contest was placed on the stage. We were allowed to examine the coach and were amazed at the marvelous work of the fifteen year old boy. Many of our boys signed a card to become members of the Fischer Body association.

The meeting was a great success and we hope the future programs will be enjoyed as much.—Imogene Kaufman, Stolp 1-C.

## Wilmette Heavies Beat New Trier Freshman

Wilmette heavyweights won their first game, played against the freshmen of New Trier High school, Saturday, October 15. The Wilmette heavyweights were winning 21 to 0 at the end of the first half. At the end of the game, the heavyweights had triumphed 30 to 0. We hope to win all the games Mr. Davis has for us.

The heavyweights were to battle Evanston Saturday, October 22, at the Village Green. Come see us play our games. We play every Saturday.—Frank Brychta, Howard 8-A.

## Pee-wees Have Promising Material for Grid Team

This year the pee-wees have very good material for a football team. Our first game is Monday and we hope to win. We have many boys out for the line as well as the backfield. The heavyweights have played one game and won, and so have the lightweights; therefore, we hope to win ours.—Robert Cochran, Howard 7-B.

### TEAM C-3 VICTORIOUS

Team C-3 was victorious over D-2 25 to 18 in a kickball game Wednesday. The players of C-3 are as follows: Louise Schreiber, Jean Macdonald, Lucille Heerens, Marion Good, Beatrice Leal, Betty Green, Edna Baughman, Elizabeth Eldredge and Dorothy Davis.—Dorothy Davis, Howard 8-A.

## Schreibers Enjoy Trip to Champaign

My mother, daddy and I went on Sunday, October 16, to Champaign where the University of Illinois is situated. On the way out we had one flat tire, but everything else was all-right. We reached Champaign safely where we saw my cousin who is a junior there. My dad used to attend Illinois where he had many good times.

We then went around and saw the fraternity houses, which had been decorated for Saturday's football game. It had been Illinois versus Northwestern, and the latter had won.

The Illinois team is known as the Illinois Indians, and on one of the houses there were two Indians holding a pole. On the pole, head downward, was a wildcat representing Northwestern. The sign said, "Get 'em, Illini." I had a grand time and would like to go again.—Louise Schreiber, Howard 8-A.

## Two Schools Planning for Hallowe'en Parties

A Hallowe'en party for all grades at the Highest school will be held next Monday afternoon in the school gymnasium. L. Raymus Murphy, principal, announced this week. The Highest Parent-Teacher association is providing apples and doughnuts for the occasion and is helping with the decorations. Pupils at the Avoca school, on Ashland avenue in the northwest section of Wilmette, also will hold a Hallowe'en party Monday afternoon.

## Lorenzini Garden Is Wilmette Beauty Spot

It may be of interest to know that Mr. Lorenzini, 117 Fifth street, has one of the most beautiful gardens in Wilmette. He has taken care of it well. He has made everything except the house. There is a bridge which stretches over a little pond and leads right up to a rock garden. Most of the flowers are gone, except a few petunias, but the garden is still beautiful.—Lillian Fricke, Stolp 2-C.

## Howard 7A Achieves Fine Spelling Record

The 7-A class of Howard school has had one of the finest spelling records this month. We have all worked very hard. Last year we were good spellers also, but we have our troubles. We had one of the three tardy marks this year. We hope not to get any more tardy marks this year.—Bob Lonergan, Howard 7-A.

### TAKES FIRST BOAT TRIP

Last summer I went on a boat trip. We were on Lake Erie. We got on the boat at Detroit, Mich., and stayed there all night. It was very interesting to me, because I had never been on a boat before in my life.—Virginia Cote, Howard 8-B.

### LAST YEAR'S TEAM FALLS

The Wilmette heavyweights conquered last year's heavies 30 to 0. Mr. Stone is trying to book us a game with Winnetka this week.—Bill Harridge, Howard 8-A.

## Assembly Club Officers Installed at Stolp Meet

Jack Randall, last year's vice-president, introduced the new officers of the Stolp Assembly club at its meeting on Tuesday, October 18. The new officers are as follows: president, Edward Hess; vice-president, David Geppert; secretary, Phil Rogers, and treasurer, Shirley Patterson.

Last year's officers were very capable and we hope the new ones will be just as good. I think Edward Hess will make a very able president. He has a loud and distinct voice and has had the experience of being an officer in the room club.—Betty Solomon, Stolp 1-C.

## 'Twas a Glorious Fight, But Nobody Is Winner

Team E-1 tied E-2 in a football game this week. The score was 6 to 6. We received the kick-off. Johnny Mitchell scampered for a touchdown. After the touchdown we thought we had the game. In the last quarter though, the enemy scored a touchdown. We received again and we pushed the opponents back to their 20-yard line, but the whistle blew and the game was over. If we had had about two more minutes to play, we might have won.—Bobbie Winter, Howard 8-A.

## Kickball Team Improves as Season Progresses

Team B-1 of Howard 8-A had its first kickball game Monday, October 17, but it did not turn out so well, because we lost, owing to the fact that not enough of our players reported for the contest. Wednesday we played the second game and won it, because the team showed up quite well. We hope they will show up just as well next week for the game.—Alice Wagner, Howard 8-A.

## Students in Howard 6B Find Egypt Fascinating

Howard 6-B is keenly interested in its study of Egypt under the direction of Miss Larsen. We are learning how to study alone and soon will have to. I find the Egyptians very interesting, especially the mummies, and the Sphinx story. The Egyptians had very queer beliefs and customs.—Suzanne Lyon, Howard 6-B.

## Versino Is New Pupil; Triplett Goes to Dakota

John Versino came about two weeks ago and is a new pupil in our room. He is a good football player and we hope he will stay with us. Murray Triplett, who is also a member of our room, has gone to South Dakota for a week. We surely miss him but he will be back next week.—Howard Reinwald, Howard 8-A.

### MARIONETTES ENROUTE

The Tony Sarg Marionettes, playing "Sinbad the Sailor," will open the Children's theater season at the Goodman theater Saturday morning, November 5, at 10:30 o'clock. They will play again at 2:30 o'clock that day, at 3:30 o'clock on November 6; 10:30 and 2:30, November 8; 10:30 and 2:30, November 12; and 3:30 November 13.

## Dog Is Idolized; He Should Land a Film Contract

His name is Tommy and he's the cutest little dog you ever saw. One ear is black and one is white, while the rest of his body is white with black ticks on it.

One day my father left and went on a trip and while he was gone, Tommy walked into our life but we certainly love him. My father almost fell over when he saw him. He's a good deal like an English setter.

He is three months old but tremendously smart for his age. We have a white fence around our house and he likes to climb through the holes into the next yard. One day he went into the bushes by the fence. I didn't pay any attention to him at first but finally I thought he might go through the fence, so I went around to find him. As quick as a flash, he ran out and lay down on the grass, pretending to be asleep.

When you scold him he'll swish his paw at you and try to hit you. He has a big temper for a little dog but he's the big attraction around our house.—Virginia Hunnewell, Howard 7-A.

## Spelling Has But Few Terrors for 8th Grade

All but four children in the room got 100 percent in spelling, Wednesday, October 19. Every Friday, Mrs. Jones checks up to see how many words the boys and girls separately have missed. So far the boys have lost every Friday. If the boys keep on losing they will have to give a party at the end of the year for the girls. Of course the girls do not want to give a party and I don't think they will.—Virginia Marsh, Howard 8-A.

## Stolp 1B Overwhelms 2C Team in Kickball

The 1-B team defeated the 2-C team in kickball Monday, October 17. The 2-C team was much ahead of the 1-B team in the first inning but in the next few innings the 1-B team evened the score and then went far into the lead. The final score was 33 to 15. We are trying to build up a good team, for when the time comes to play Howard, we will try to make a good showing.—Jane Solomon, Stolp 1-B.

### COME ON, NOW!

Come on, seventh graders. Write some JUNIOR LIFE articles. For the last three weeks there have been no 7-A articles sent in. We ought to be ashamed of ourselves. Come on, write some articles.—Randolph McCandlish, Howard 7-A.

### HOWARD DEFEATS STOLP

Team C-1 of Howard won a football game from C-2 Stolp, recently. Both elevens did a very good job at holding the line. The final score was 7 to 0 in favor of Howard.—Jack McConnell, Howard.
