

Mallinckrodt News

Friday, October 28, the initial card party, sponsored by the Mallinckrodt Mothers' club for this season, will take place. All Mallinckrodt mothers and friends are cordially invited to spend the afternoon as usual in the school auditorium at 2 P. M. A Special Feature surprise is in store for all who attend.

Miss Janet Radle, a graduate of Mallinckrodt who was awarded a four-year scholarship at St. Theresa College, Winona, Minnesota, last year, received the additional honor of being elected president of her class.

Mallinckrodt freshmen left the school highly elated last Friday after experiencing the customary ordeal of initiation. Dressed in their white aprons, tripping along with their dolls, and conspicuous for the green bow that was neatly perched on their heads, they bravely faced the faculty and student body throughout the day. They displayed real school spirit when they readily complied to various demands made upon them, such as: reciting nursery rhymes; kissing the Blarney Stone, a contrivance containing a supply of flour; imitating a dramatic musician at the piano, the instrument being a chair containing a large basin of cold water. Blindfolded, and thus left to the mercy of the seniors, they provided many a hearty laugh. Finally, while marching through the audience, they displayed their array of dolls, and the prettiest was voted upon. Miss Margerita Jans was the possessor of the most beautiful of the group.

Christian Science Churches

"Probation After Death" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, October 23.

The golden text was: "Behold, now is the day of salvation" (II Cor. 6:2).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (James 1:12).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Perfection is gained only by perfection. They who are unrighteous shall be unrighteous still, until in divine Science Christ, Truth, removes all ignorance and sin. The sin and error which possess us at the instant of death do not cease at that moment, but endure until the death of these errors. To be wholly spiritual, man must be sinless, and he becomes thus only when he reaches perfection" (p. 290).

MOVIES FOR CHILDREN

The James Nelson and Anna Louise Raymond Foundation will present a program of three motion pictures for children Saturday morning, October 29, at Field Museum of Natural History. Admission is free, and no tickets are necessary.
