Highcrest Dance Is Financial Success

Last Saturday evening the Parent-Teacher association of the Highcrest school gave a dance in the auditorium to raise funds to further its work. The affair, which proved to be unusually successful, was in charge of Herbert Kusmertz. Assisting him were Mrs. Kusmertz, Mrs. Anna Epp, Mr. and Mrs. Nickolas Engels, J. Reagan, A. Schwall, Anthony McDermott, Glen Ianson, and Harry W. Toms. Doughnuts were donated by members of the P. T. A. and sold with coffee, pop, and cider. The Five-piece Rhythm Aces furnished music for dancing.

P. T. A. MEETS TUESDAY

Hindu Leader

The Hon. Vithalbhai J. Patel, former mayor of Bombay and president of the Indian Legislative assembly, and a friend of the great Gandhi, will address the Wilmette Sunday Evening club, November 13, in the First Congregational church auditorium. His subject will be: "India Today."

No Hindu of greater importance than the Hon. Vithalbhai J. Patel has ever visited the United States, Sunday Evening club leaders state. He has been invited by some of the largest civic organizations as guest speaker and is being officially received by the leading officials and most distinguished citizens in the cities he is visiting. He has held important legislative and other official positions in India for many years. He joined Gandhi in London at the last Indian Round Table conference, later returning to India with Gandhi where he assisted in reviving the Civil Disobedience movement.

The Sunday Evening club convenes at 7:30 o'clock.

Prior to the address by the Hon. Mr. Patel, the Wilmette Post of the American Legion, which is to attend the meeting in a body, will conduct ceremonies appropriate to Armistice Day. This is an annual feature on the program of the Sunday club nearest Armistice Day.

North Main Street Highway Link Open

The long-awaited opening of north Main street in Wilmette became a reality last week. The section of the street from Elmwood avenue north to the Kenilworth limits, which was thrown open to the motoring public on Saturday, is the final link in the new through highway from McCormick boulevard, Evanston, to the south limits of Glencoe.

After many delays and postponements the contract for the paving of this final strip was let by the Village board, and the work was rushed to completion by the M. Foley company of Evanston.

The new through highway follows West Railroad avenue in Evanston, Main street in Wilmette, Green Bay road in Kenilworth, Center street to Tower road in Winnetka and Linden avenue through Hubbard Woods. For the major part of the distance it is immediately adjacent to and west of the Chicago and North Western railway right-of-way. Negotiations have been under way for many months to extend the road through Glencoe to the Lake county line.

Zander Elected Head of Chicago Realtors

Henry G. Zander, Jr., 736 Cummings avenue, Kenilworth, was elected president of the Chicago Real Estate board last week at the board's monthly meeting. Mr. Zander, who is also a trustee of the Village of Kenilworth, is the second member of his family to become president of the real estate board. His father, Henry G. Zander, Sr., of Barrington, who is vice-chairman and director of the Evanston Home Loan bank, just opened, held the same position several years ago. Other realtors elected to office last week by the Chicago board were: Lester W. Porter, vice-president; Walter R. Drennan, secretary, and Alben T. Myren, treasurer.

Representing the Wilmette League of Women Voters, Mrs. John W. Kenilworth will have extra police protection during the winter months. This was decided by the board of trustees of that village Monday night.
