

## Debate Schedule for High School Teams Prepared

New Trier High school's debate schedule for this season was announced this week. The schedule includes debates with Rockford High school, Calumet High school, Waukegan High school, and Morton High school of Cicero.

The dates for these matches were announced as follows: Rockford, January 20; Calumet, February 10; Morton, February 24, and Waukegan, March 10.

In all except the Calumet debate the subject for discussion will be, "Resolved, that one half of all state and local revenues shall be derived from sources other than tangible property." The question of installment buying will be discussed when New Trier meets Calumet. This debate will be held at New Trier, with Calumet upholding the negative.

### No-Decision Debates

The debates with Rockford, Waukegan and Morton will be dual matches. They will be no-decision debates.

Chester E. MacLean of the New Trier English department, who coaches the New Trier debate teams, says that the material this year is excellent, perhaps the best in several seasons. Practically all of last year's experienced debaters are still in school, and there is much promising new material.

This year, in addition to the varsity teams, there will be two freshman teams, Mr. MacLean said. The purpose of this is to give the freshmen experience and to arouse their interest in debate work so that when the older students leave school there will be experienced debaters to take their places.

### Start More Tryouts

The second round of tryouts will start the latter part of this week or early next week, Mr. MacLean announced. Among those who are working for places on the teams are:

Dave Walkey, Gladys Panceo, Carolyn Webber, Frank Randall, Elmer Stone, James Donahue, William Klein, Ernest Shafer, Lucy Ann Jonas, Ed Rosenheim, Albert Ackermann, Carl Anderson, William Ray, Gerard Brooks, William McFadden, Bruce Ellison, Ann Lupson, John Griffith, Albert Brown, Sam Rockwell, James Elder, Walter Cherry, Arthur Flood, David Routsong, Stanton Ehrlich, Junior Franco, Gordon Wells, Ed Joyce, Foster Gilgis, William Bowen, Mary Jane Stevenson, Edyth Herman, Glenn Walker, Betty Clements, Florence Hegenan, Don Whyte, Helen Shane, Jane Fitzgerald, Mary Neeves, John Comby, Francis Duncan, and Ben Rapoport.

James Donahue is assisting Debate Coach MacLean with the organization of the teams. A tournament is being held among the teams.

## New Trier Grads Guests at Scholarship Dinner

Two New Trier High school graduates, Eleanor Mayer and Evelyn Otten, were among the freshmen at the University of Wisconsin who were invited to attend the annual freshman scholarship banquet given recently by the Women's Self-Government association of the university in recognition of exceptionally high standards of work done in preparatory schools. After a checkup of entrance blanks and aptitude tests the highest twenty-eight percent of freshman women at the university were chosen to attend the banquet.

Mr. and Mrs. Edward J. Bradley, 234 Catalpa place, attended a large family reunion, Sunday, at the home of Mrs. Bradley's brother-in-law, F. M. Tressel, 815 Leland avenue, Chicago. This year the reunion, an annual affair, was unusually large, forty members of the family being present.
