

## E-3 Grid Team of Howard Has a Fine Record

So far this season, Howard E-3 has had about the best football game record in E class of both Howard and Stolp schools.

E-3 has won three, tied one, and hasn't lost any. It should have one more game to play, that being against Bill Spinney's team from Stolp. E-3 won its first battle against Stolp, 19 to 0; the second game, however, was tied, 6 to 6, Harold Kummer's team from Howard providing the competition. The real reason for that unexpected score was "too much horsing around."

The next game that E-3 played was in mud. Stolp, which surely had a strong team was the opponent. However, the final score was: Howard 12, Stolp 6.

### This Game Is a Classic

Then came the game of games. It was against Howard E-2. The first three quarters went along fine. E-3 leading, 7 to 0. Then all of a sudden, E-3 started going down the field like a waterfall. E-3 scored another touchdown. Graham drop-kicked for the point, but it was low.

We had about two minutes to play before the game was over. E-3 kicked to E-2. Bob Smith received the ball on about his own 10-yard line. It was a beautiful kick. Smith started down the field like a loose wildcat. He ran just along the sidelines all the way to a touchdown.

A touchdown on a kick is something to be talked about. Mr. Stone said it was good interference, but I think most of the credit should go to Bob Smith for his marvelous running. The extra point was not made and the final score was 13 to 6 with E-3 on top.

Before the game was over, however, E-2 had started on another attack and soon would have gone over for another touchdown, had not the whistle blown for the end of the game.

Bob Smith and Bob Fessenden surely deserved the honors that day.

The positions on the E-3 team are usually mixed up, so I shan't name the position each boy plays, but I shall name some of the players on our team: Bob Fessenden, Bill Graham, Marvin Nylund, George Schwall, John Mitchell, Bob Winter, Tom Huck and Bob Christie. Some of the names are not mentioned because at this moment I cannot think what they are.—Bob Christie, Howard 8C.

## "Free-Wheeling" Gridder Tells of His Experiences

The lightweights had practice, Saturday morning. On the way over on my bike, I had the wind at my back so it was easy going. When I got to Washington park, I found most of the boys in jackets. We had our practice and then we went over to Hap's car and he took down our names and told us to be at Washington park Friday after school, so we all started home. Was it hard pumping against the wind! When I got home I was tired. We have won all three games we played and hope to win all the rest.—John Seddon, Howard 7B.

## Seven Gridders Hold Nine Players to Tie

D-1 and D-3 played their last football game of the season on November 3 at the Village Green. D-3 had seven players and D-1 had nine. D-1 enjoyed an advantage because it had six men in the line and D-3 had only four. D-3, the team I am on, surprised D-1 by passing on the first play. The pass was complete. Then Don Specht, our captain, went around right end for a touchdown. Don made the point, too.

Doug Huck, captain, made the touchdown for D-1 and Paul Wipperfurth made the point after touchdown. No scoring was done in the last half.—Bob Lyons, Howard 7A.

## Pupils in Fourth Grade Are Making Decorations

Decorations for the fourth grade room are plants, pictures and papers. The names of the plants are tiger cactus, geranium, begonia, ivy vine, depression garden, and Japanese garden. We draw all kinds of pictures; papers are all kinds, too. We bring colored leaves and pictures we make at home.—Arthur Green Howard fourth grade.

## Current Season Begun by Wilmette Aero Club

The Wilmette Aero club opened its 1932-1933 season last night. The Stolp gymnasium from 7 to 8 o'clock is to be devoted to flying and instruction in flying of aeroplanes. The dues this year have been determined, and supplies will be sold at cost. We hope everybody will join.—James Dricker, Howard 8C.

### D-1 LOSES CHILLY GAME

D-1 opposed D-2 Wednesday, November 2, in kickball. Because it was cold, we played only three innings. In the first inning the score was 8 to 4 in favor of D-2. In the second inning, D-2 was ahead, 9 to 4. D-2 beat us, 9 to 4. We hope we shall not be beaten any more.—Dorothy Eisler, Howard 8A.

### DANCING CLASSES OPEN

Miss Stade started her dancing classes Friday, November 4. Howard 8A has been trying to get enough children from that room so they can have a separate class. Miss Stade will have only twenty pupils in each class. So far, fourteen from 8A have signed up.—Virginia Marsh, Howard 8A.

### MONDAY THAT'S DIFFERENT

This last Monday night was just another night, but the Monday night before that was Hallowe'en. At the Howard school there was a free Hallowe'en party as well as at Stolp. I am sure anybody who went to either party had a good time.—Robert Cochran, Howard 7A.

### SPELLING HATH CHARMS

This year in 8A, Mrs. Jones said if we get a grade of 100 in spelling on Wednesday, we do not have to take our Friday test. I think it is much better because, while the rest of the class is spelling, we can do what we want to do.—Edith Bartlett, Howard 8A.

## Eighth Graders Vie for Places in "Who Who"

This year, Mrs. Jones is having "Who's Who" to see what students are the most prominent in the eighth grades. Approximately ten persons will be selected each month. Very few individuals get their names in the world's "Who's Who," so very few will get in this one.—Gordon Boling, Howard 8A.

## Art Students Make Arithmetic Folders

In art the eighth grades of Howard are making folders for arithmetic. We are designing all-over patterns using numbers, figures, or arithmetic signs. We make several designs, and Miss Donnelly, our art teacher, chooses the one which is the best. Some are cut out of paper. Others are colored with crayolas and a few are drawn with ink. I think they are very attractive.

A few pupils are making posters for the Wilmette Woman's club, for the dramas to be given by the Jack and Jill players.—Jean Macdonald, Howard 8A.

## Howard D-1 Encounters a Stubborn D-3 Team

A scheduled game between Howard D-1 and D-2 was called off Wednesday afternoon, October 26, because of lack of representatives from D-2. As all the members of D-1 were in fine condition, we were just waiting our chance to take a game from D-3, Wednesday, November 2. We were pretty confident of the game, but only succeeded in tying our opponents, 7 to 7.—Paul Wipperfurth, Howard 8A.

### GIRL SCOUTS GIVE PLAY

The Howard school had its first auditorium session on October 31. A scout play was given by the Girl Scouts of Troop 7, Wilmette. They had two acts, both of which were very interesting. Mr. Todd dismissed us.—Randolph McCandlish, Howard 7A.

### PUPILS DEFY GOBLINS

Monday, October 31, was Hallowe'en when witches and goblins came from out of the dark and got you. That didn't prevent many of us from attending a show at Howard gymnasium for all the Wilmette school children.—Howard Reinwald, Howard 8A.

### MARIONETTES AMUSE

Tuesday, November 1, the P. T. A. entertained us by having Tony Sarg's marionettes give "Sinbad the Sailor." Two performances were given, one at 2 o'clock and one at 4 o'clock. We enjoyed it very much.—Jay Crowell, Stolp 2D.

### GRADUATES RETURN

Mrs. Jones' room had plenty of visitors Thursday, November 3. New Trier had a day off, and many graduates from Howard came back to see their old school and to see if it had changed any since they attended.—Alice Wagner, Howard 8A.

## Girls at Howard Kick and Throw in Athletic Test

The 8A girls had tests in volleyball kicking and throwing, at Howard school on Wednesday. The results are as follows:

Edna Baughman threw 49 feet and kicked 48 feet; Bessie Bouchikas threw 71 feet and kicked 85 feet; Grace Centifanto threw 42 feet and kicked 40 feet; Dorothy Davis threw 79 feet and kicked 116 feet.

Dorothy Eisler threw 50 feet and kicked 61 feet; Gloria Gonzalez threw 50 feet and kicked 43 feet; Marjorie Hill threw 50 feet and kicked 78 feet; Jean Macdonald, threw 47 feet and kicked 74 feet.

Virginia Marsh threw 63 feet and kicked 76 feet; Louise Schreiber threw 63 feet and kicked 50 feet; Alice Wagner threw 80 feet and kicked 66 feet.—Dorothy Davis, Howard 8A.

## Wilmette Heavyweights Get Three New Plays

Three new plays were given to the Wilmette heavyweights recently. These plays were practiced and now we can "put them over big." We have a total of approximately twelve plays. We are to battle at the Village Green, Saturday at 9 o'clock.

Thursday, we of Howard 8A had our first speedball practice. Two teams were picked; one of them had eight players and the other had seven. The game was won by the team that had seven players. The score was 6 to 3.—Frank Brychta, Howard 8A.

### DOUGHNUTS BRING GOLD

The Howard and Stolp girls' glee club had a doughnut sale Monday, October 31. We received \$9.94 but had to take \$4.20 away from it, and that left clear profit at \$5.74. We are very proud and happy at getting this money.—Louise Schreiber, Howard 8A.

### SUFFER FIRST DEFEAT

On Wednesday, November 2, Howard E-1 met Stolp E-2, and from the first kick-off we played a losing game. Stolp E-2 finally finished the slaughter and we lost, 26 to 0. This was our first and only defeat of the season.—Charles Haigh, Howard 8A.

### GIRLS BRAVE ICY WIND

C-3 girls played C-2 on Wednesday, November 2, in spite of the icy winter wind. At 4:30 o'clock with almost everyone frozen, we decided to quit although C-3 players had another inning up to bat coming to them. C-3 was victorious.—Edna Baughman, Howard 8A.

### IT'S SPEEDBALL NOW

Last week in gym, Mr. Stone told us that from now on we would work on speedball instead of football. I guess we all like football better than speedball, but speedball is fun, too.—Donald Scarff, Howard, 8A.

### HERE'S A "BAWLING OUT"

Come on, 7B. Only two persons have written articles this week. We ought to be ashamed. Let's hurry and beat the eighth grades.—William Mayt, Howard 7B.
