

## ICE CARNIVAL DUE JANUARY 12

### Recreation Board to Sponsor Seventh Annual Event on Village Green Pond

Although the weather has been inauspicious for ice skating during the past few days, and both Wilmette ice ponds have become mere pools of water, the Playground and Recreation board is proceeding with its plans for the seventh annual ice skating meet to be held Thursday evening, January 12, at 7:30 o'clock at the Village Green pond.

The meet has been sanctioned by the Illinois-Western Skating association and all races will be governed by the rules of the Amateur Skating union of the United States. All of the races are open to Wilmette residents but the feature races of the afternoon, one and two-mile derbies will be open to outsiders. In these two races the first place winners will receive skates as prizes and the second and third place winners silver and bronze medals. The one-mile race prize will be a pair of gold skates donated by Wilmette druggists. The two-mile race will have for its prize a pair of "Blue Streak" skates donated by A. G. Spalding and Brothers.

#### Race for Men and Boys

Another race will feature Wilmette men and boys only and the prize will be a pair of "Silver Wing" skates donated by Chandlers Inc. This race will be for one-half mile.

Previous registration is necessary in all races and must be in the recreation office by 4 o'clock Tuesday afternoon, January 10. Entries will be received at the recreation office, 914 Central avenue, or by the staff assistants and attendants at the ice ponds.

Both ponds will be reflooded as soon as the mercury drops enough to permit freezing. So far there have been only a few days skating on the Wilmette ponds due to the sudden thaw preceding the Christmas holidays but the Recreation authorities are hoping for a chance to flood by New Year's Day.

### Charity Board Thanks Theater for Donations

The Wilmette Board of Local Charities has requested WILMETTE LIFE to convey the appreciation of the board to Sam Meyers, managing director of Teatro del Lago, for the contribution by the theater of food and funds which represented proceeds from charity benefit matinees held during December. The entire proceeds from two matinee performances were directed to the Board of Local Charities. Children attending the shows brought food in lieu of the customary admission fee, while adults paid cash admission.

### Chest Campaign Nets \$15,000 for Welfare

With practically all subscription returns submitted, announcement is made that a total of approximately \$15,000 has been received in Wilmette's annual Community Chest campaign to provide funds for the Board of Local Charities, Infant Welfare society, Arden Shore Rest camp and the Cook County Emergency Welfare project. The campaign was launched Sunday, November 13, when workers started the task of canvassing every block in the village.

### Plan to Combine 1933 Ballot Days

Officials of north shore villages attended a meeting in Chicago Wednesday afternoon to discuss a proposed movement to petition the legislature for authority to hold all elections that may be called in the spring of 1933 on June 5, 1933, when Cook county elects its circuit court judges.

The call for the meeting was issued by Robert M. Sweitzer, chairman of the election consolidation committee appointed by the County board, and reads as follows:

"As you doubtless know, there is now a proposed movement to petition the legislature for authority to hold all elections that may be called in the spring of 1933 on June 5, 1933, when Cook county elects its Circuit court judges.

"This movement is actuated solely in the interest of economy and it is the desire of the county officials and members of the various committees named to draw consolidation bills to secure the cooperation, or at least know the reaction to the plan by the various village, township and park district authorities of Cook county and with this purpose in mind you are requested to attend a meeting to be held Wednesday, December 28, at 2 p. m., Room 527, County building, when the plan will be presented and discussed.

"You are requested to bring with you the attorney or corporation counsel of your city or village, township or park district, as the case may be, so that he may also be advised of all legal phases of the movement."

### Roy Wilcox Gets Degree; Continues Studies

Roy Wilcox, 1511 Elmwood avenue, Wilmette, tutor in mathematics and languages, has received the degree of bachelor of science with honors from the University of Chicago, completing the four-year course in less than three and one-half years. He will begin work toward the master's degree immediately. He holds a graduate scholarship and has been a member of Phi Beta Kappa since his junior year. His subject of specialization is mathematics.

### Holiday Schedule at Kenilworth Postoffice

Postmaster Douglas S. Crooks of Kenilworth announced this week that the Kenilworth postoffice will follow the same schedule this week-end as was the case last week-end. The office will be closed as usual on Sunday (New Year's day) and also on Monday, January 2, when the New Year holiday is legally observed. There will be no mail deliveries or collections in Kenilworth on either day.

#### NEW YEAR'S DINNER

Mr. and Mrs. Howard Fogg, 713 Greenwood avenue, will entertain relatives and friends at a New Year's dinner Monday.

### Candle Service to Welcome in New Year's Day

The services which will be held to welcome in the New Year and on New Year's day will be of special interest. At 9:30 o'clock Saturday evening, December 31, the New Year's eve communion service will be held.

At 10:45 o'clock will begin the New Year's Eve festival service. This will be a rather spectacular and unusual event. Dr. Oscar Thomas Olson, the minister, will deliver an address on "Old Year Wisdom for New Year Living." During the evening the chorus choir, under the direction of Miss Marie Briel of Chicago will present the following selections:

"God So Loved the World" Stainer  
"Unfold Ye Portals" Gounod  
"Gloria" (Twelfth Mass) Mozart  
"Ring Out, Wild Bells" Gounod  
"Sanctus" Gounod  
"Hallelujah Chorus" Handel

Five minutes before midnight the church will be in darkness. Gradually the light will increase as the New Year day approaches, until five hundred candles will shed their soft glow over the assembly.

On New Year's day at 11 o'clock, Dr. Olson will preach on the theme, "Fair Havens: a Port of Call." The chorus choir will sing "Ring Out, Wild Bells," and "The Heavens Are Telling," by Haydn.

### Rengel Gets Garbage Collection Contract

William Rengel, 2722 Glenview road, Wilmette, has been awarded the contract for the collection of garbage in the village during the calendar year 1933. Bids were received and the contract awarded at an adjourned meeting of the Village board Tuesday night.

Mr. Rengel's bid of \$7,800 was the lowest of four received. It is \$2,700 below the price paid for garbage collection in Wilmette this year on a similar collection schedule.

The contract provides for three collections each week during the months of June, July, August, September and October and two collections each week from November to May, inclusive. The same number of collections have been made this year.

### Gratitude

With the passing of 1932 we pause to reflect on the good fortune which has been ours through another year.

To those who have contributed to our success — the Classified Advertisers — we are especially grateful. Their cooperation has inspired us to render a greater service than ever before.

It will be our pleasure to continue to serve them in 1933 as in the past.

## LUNCHES OUST NIGHT SESSIONS

### Initial Day-Time Meeting Is Set for January 9 by Wilmette Chamber of Commerce

Evening meetings of the Wilmette Chamber of Commerce will be replaced by luncheons starting next month and continuing throughout 1933. The first of these luncheons will be held Monday, January 9, in Week's dining room, 1129 Central avenue.

In the past it has been the policy of the Chamber to hold monthly meetings on the first Monday night of each month at the Wilmette Masonic temple. Under the new policy the meetings will be held on the first Monday as usual, but at noon instead of in the evening. Because of the fact that New Year's will be legally observed on January 2 this year the regular January meeting is to be held on January 9 instead of January 2.

Installation of the new officers and directors will be the principal item of business at the January meeting. The speaker for this meeting will be Dr. Alexander Carr of Chicago, who is known as an optimist, a humorist and a clever speaker.

#### To Announce Winners

Announcement of the winners of the Chamber's annual commercial Christmas lighting contest will be made also at the January meeting. Floor lamps will be awarded as first and second prizes.

The Chamber of Commerce asked the Wilmette Playground and Recreation board to select a committee to judge the Christmas lighting contest. Mrs. J. D. Kinnear, president of the Logan-Howard Parent-Teacher association, Miss Anne L. Whitmack, librarian at the Wilmette Public library, and Clark Leach, commander of the Wilmette post of the American Legion, are serving on this committee.

#### Officers to Be Installed

Officers and directors to be installed at the January meeting are: A. S. Van Deusen, Jr., president; Bradford L. Keeler, vice-president; W. B. Robinson, Jr., treasurer, and J. E. Worthen (the retiring president), T. A. Cizek, Leo Michel, Richard Burns and G. W. Swiney, directors.

### Theater Manager Gives Party for Sunday School

Peter Kalleres, manager of the Wilmette theater, gave the Sunday school children of St. Augustine's church and their friends a motion picture party at the theater on Wednesday afternoon of this week. Preceding the matinee, the children met at St. Augustine's Parish House for a program and refreshments.
