Annual Caroling Service Brings Out Record Crowd

"I haven't had such a good time since the depression began" was what one Village official said, following the twelfth annual Christmas Carol Sing last Saturday evening at the Village hall lawn.

The carolers, several hundred in number, were welcomed by Village President C. P. Dubbs, who was introduced to the group by R. M. Johnston, chairman of the Wilmette Playground and Recreation board under which auspices the carol service is conducted each year.

Through the cooperation of the Wilmette churches and civic organizations, the Recreation board revived the custom of a community carol sing seven years ago and now it is a village institution. For several years the custom had been allowed to lapse because of the intervention of the World war and the attendant distress.

The purpose of the carol sing, as outlined by Daniel M. Davis, director of recreation, is to provide one service on Christmas eve where everybody in the community can gather for a short time and meet neighbors, forget troubles, and partake of the general Christmas cheer.

The caroling was led by George Bersch to the accompaniment of a band of New Trier students and alumni. In the band were George Jones leader; Miss Janet Wright, Warren Cozzens and Ted Hosking. The program of carols included: "O Come All Ye Faithful," "Hark! the Herald Angels Sing," "Away in a Manger," "We Three Kings of Orient Are," "The First Noel the Angel Did Say," "Silent Night." Miss Wright provided the orchestration of the musical scores of the carols.

Following the caroling, Lemuel F. Owens, 725 Greenwood avenue, gave a short Christmas address to conclude the program.

N. T. Cagers Take First Tournament Game at U. of C.

By defeating Englewood, 22 to 15, Monday night New Trier High school's heavyweight basketball team advanced to the second round of the University of Chicago's annual Christmas week tournament for high school teams of the Chicago area. The New Trier boys were scheduled to meet another Suburban league team, Proviso of Maywood, in the second round yesterday (Wednesday) afternoon. Proviso nosed out Morgan Park, 24 to 23, in the first round.

Jack Sinding, forward, was not only the individual star for New Trier but the high scorer of the game Monday night when Englewood was eliminated from the tournament. Sinding dropped in five field goals and a free throw for a total of eleven points. Englewood's captain, Sam Kelly, scored nine points on three field goals and three free throws.

The New Trier-Englewood game was described by one Chicago sports writer as "technically the most polished of the day, smooth passing against systematic defense."

Winner

Else vonReinsperg, daughter of Mrs. Hans vonReinsperg, 726 Laurel avenue, a student at New Trier High school, won first place in the half-mile race for Class B girls at the Chicago Stadium meet Tuesday, December 20. Miss vonReinsperg has been an outstanding all-around athlete since she was a child in the Wilmette public schools. She is one of the brightest championship skating prospects in the Chicago area. She performs under the banner of the Kelly Skating club.

Winnetka Team to Participate in Charity Tilt

The Vagrants team from Winnetka will replace the Niles Center team in the charity basket ball games the Playground and Recreation board is conducting for the benefit of the Wilmette Community Chest Friday evening, January 6, it was announced at the Recreation board offices this week.

The new team, which has been termed one of the strongest on the north shore, will meet Hoffman Florists, one of the very strongest of the Wilmette teams, at 7 o'clock, and at 8 o'clock a fast game between Huff Boilers of Evanston and the Bahai team of Wilmette will be played. The evening will be finished off with a game between Schultz and Nord and the Wilmette Life team, which will begin at 9 o'clock.

Tickets for the charity game went on sale last week and the preliminary sales indicate a nice donation to the Chest fund, Dudley C. Stone, recreation assistant in charge of the games, announces. Both the advance sale and the gate receipts will go to the fund.

Since a ticket-selling contest has been inaugurated for the school children wherein each pupil who sells five tickets may obtain a free ticket to the game, there is little likelihood of any Wilmette resident lacking an opportunity to purchase a ticket for the games, but, however, in such an event, Mr. Stone announces that tickets may be procured at the recreation office, 914 Central avenue, or at the door on January 6. Arrangements are being made to seat 500 spectators at the games.
