

## Legion Auxiliary

(Wilmette Unit 46)

The Executive board, which now convenes regularly the first Thursday of the month, will meet at the home of Mrs. F. J. Dowd, 1502 Walnut avenue, Thursday evening, January 5, at 8 o'clock. Unit officers and committee chairmen are requested to be present.

Cook County council will meet Friday, January 6, at 1:30 o'clock at the LaSalle hotel, Chicago.

Mrs. R. L. Ebbert, 211 Seventeenth street, will be hostess at our regular meeting Monday night, January 9. Legislation of particular interest to the legion and auxiliary will make up the program for the evening.

Although December is Rehabilitation month, child welfare work has been just as much in the lime-light at this time. On December 28 Dr. Beatrice Hawkins, Department child welfare chairman, accompanied by Department President Mrs. Melville Muckelstone, attended the Christmas party which is given annually by the department for World war veterans' children at the Illinois Soldiers' and Sailors' Children's school at Normal, Ill. There are approximately 575 of these children at the school. All but a few of them are sponsored by auxiliary groups who sent individual Christmas gifts and contributed money to cover the expense of the party. The Child Welfare committee provided gifts for unsponsored children so that all were remembered. The program of the day consisted of a children's dance review, Mickey Mouse pictures and Byrd's South Pole picture. Ice cream cups, popcorn balls, and drumsticks were served and each child upon leaving received a balloon with whistle. Dr.

Hawkins reports that a good time was had by all!

Following the department program, the Seventh District Child welfare chairman, Mrs. R. Johnston, has located all children's institutions in the district, and, insofar as possible, the World war veterans' children living in each. A Christmas party was given for these children at St. Hedwig's, Niles, Ill. Thirty children were at the party—five of these coming from Angel Guardian Home at Devon and Ridge, Chicago. Each child received a box of candy, fruit and cookies, and a gift. The school band played and Dixies and cookies were served. Mrs. John Fischer, president of the Peter Huerter unit of Wilmette, acted as Santa Claus and presented all children with popcorn balls after the party. Child welfare chairmen, junior activities chairmen, and junior auxiliary presidents of each unit in the district were present and they, together with the other guests of the day, made an interesting tour of the institution.

The Seventh district will sponsor a luncheon and card party at 12:30 Monday, January 16, at the House Within, 9 West Washington street, Chicago. For reservations call Mrs. O. G. Daily, Wil. 1973, not later than January 13.
