College Stars Plentiful on League Roster

Eighteen former "letter" men, representing eleven different universities and colleges, are represented on the rosters of the six teams registered in the Playground and Recreation board's North Shore Basketball league for men.

The North Shore league comprises the fastest competition in any recreation activity this year and is an aggregation of the best north shore men's teams. Two teams represented in the league have held championships in Evanston's North Shore league in former years. The fact that the teams are composed of former star players from middle west and eastern colleges and universities, guarantees sharp competition between the various teams.

The North Shore league plays on Friday evenings at the Howard gymnasium and is the only activity conducted by the Playground and Recreation board this season for which there is an admission charge for spectators.

Among the former college stars represented on the rosters of the teams are Fred Hoerber of Schultz & Nord team, and Steve Plowman and Owen Anderson of the Winnetka Vagrants, all of whom are former Carleton college players; Tom Obermeier, a Loyola university star, who plays with the WILMETTE LIFE team, Lawrence Langdon, University of Illinois, who also plays on the WILMETTE LIFE team; Walter Miller, University of Michigan, member of the Vagrants' team; Cory Casterton, Marquette university, also a member of the Vagrants' team.

Both the Vagrants and the Baha'i teams have a full roster of college stars. On the Baha'i team, which is a local organization, are "Bud" Lang, from the University of Wisconsin; Robert Nelson, former captain of the Massachusetts Institute of Technology basketball team; John Sheldon and "Mickey" Emrich, former Dartmouth college players, and "Bud" Dyniewicz, Francis and Dick Oelerich from Notre Dame.

Robert MacLean is a former player at Lake Forest academy as was John Parker, manager of the Vagrants' team, who was also a star fullback on the football team. MacLean plays with Schultz & Nord team in the Wilmette league. The entire roster of the Schultz & Nord team are New Trier graduates and participated in basketball and other athletics during their prep school days.

Russell Horn, a player on the Hoffmann Florist team, is at present a student in the Central college of Y. M. C. A. in Chicago and is a member of the basketball squad there.

"If" Still Hovers Over Ice Carnival

"The seventh annual ice skating meet has been postponed.

"It will be held if and when the weather gets cold enough for freezing."

That is the only announcement Daniel M. Davis, director of recreation, can make regarding the skating races that were scheduled for last Thursday evening. It was impossible for ice of sufficient thickness to be obtained for the date scheduled although a crew of six men worked for eighteen hours previous to the hour announced for the opening race.

The first ice skating weather will be utilized for holding the meet and if there is not time for announcement in WILMETTE LIFE, notices will be sent to the homes of the Wilmette public and parochial school children and by this means the recreation board hopes to notify all contestants.

Chinatown Goal of Field Jaunt This Saturday

A field trip to Chicago's Chinatown to see the opening festivities of the Chinese New Year has been planned for Saturday morning, January 21, by the Playground and Recreation board.

The group taking the trip will leave from the Village hall at 9:30 o'clock Saturday morning and en route to Chicago will stop over for a visit to a well known candy manufacturing plant where the members will watch the process of making candy. In addition to the visit to the candy plant, a visit will also be made to the Field museum where a stop will be made for lunch.

The afternoon program will be spent entirely in Chicago's Chinatown visiting a Chinese schoolroom, the Chinese courtroom, the Chinese temple, the Chinese City hall, and the Chinese Merchandise mart. Tea served at a Chinese inn will be an added attraction.

Although the trip is planned for children, a few adults can be accommodated at the same rates as the children's fare, which covers only the actual expense of the bus fare and other accommodations. The members of the group taking the trip will prepare their own lunches to take with them but all other costs are included in the nominal round trip ticket set by the Playground and Recreation board staff.

The trip will be chaperoned by members of the recreation staff. Previous registration is necessary and may be made through Glen W. Gathercoal, Dudley C. Stone, and Miss Joe Skidmore of the recreation board or by calling the recreation office, 914 Central avenue.
