

Howard, Central School Children Tour Chinatown

Saturday morning, January 21, the Wilmette Recreation board took children from Central and Howard schools on an expedition to Chinatown. We were to be at the Wilmette Village hall at 9:30 o'clock. When I got there, quite a crowd had gathered. One whole bus was full, so they had to call for another bus. The second bus came at 11:15 o'clock. The first bus had gone on and we were to meet it at the Shedd aquarium.

We went through the aquarium and then the man who represented the bus company told us that we were invited to be the guests of George Terzakes and his father at lunch. We had a very nice time there. Then we went back to the aquarium to pick up the other people from Oak Park. The lady who was taking us said that we might be able to go on Byrd's ship but we did not have time to do that.

Inspect Fort Dearborn

Next we went to the world's-fair grounds and visited Fort Dearborn and went through all the buildings, even the watch tower.

After that we went to Chinatown and visited the temple which was decorated, for it was New Year's eve down there. They event let us go behind the altar, which was hand-carved and covered with gold leaf. This was an honor.

Schoolroom Is Explored

Next we went downstairs to the schoolroom. The Chinese go to an American school in the day and at 5 o'clock they go to a Chinese school. We also went into the court room. Chinatown has its own government.

We then went to a little place where you could buy little souvenirs. Most of the children bought chopsticks. Then we visited a little Chinese inn and had tea and almond cookies, which were very good. We left for home tired but happy, for we had a very nice time.—Jean Temple, Miss Fox's room, Central school.

Central School Stages Interesting Hobby Show

Tuesday, January 31, Miss Johansen's room gave a hobby show. The children showed their hobbies such as scrapbooks on sports, cooking aircraft, collections of stamps, coins and china figures. We had puppet shows and many other interesting things—Ruth Scheibel Central, 6th grade.

PUPILS DESIGN FOLDERS

The three sixth grades are making English folders for Miss Theman's room. Greek designs will feature 6C's folders. The designs will be cut from paper and pasted. We will make them at our art periods.—Tom Huck, Howard 6C.

DOG UPSETS BOBBY

One day we were playing with a dog named Jack. I would set a ball in the tree and Jack would jump up and get the ball. One day I had a ball in my hand and Jack jumped up and knocked me over.—Bobby Hoffmeyer, Howard 5B.

Candy Sale Profits Are More Than \$15

The 2D seventh-grade class had a candy sale, Friday, January 20. The sellers were Harriette Lagerlof, Paul Lang, Jerry Peterson, Jay Crowell, Marjorie Frankenberg, Dorothy Yarian, Pauline Shank, Shirley Hughes, Jean Everson, Joan Rosenberg, Jack Potter, Arthur Brereton, Edward Ives, Shirley Hauseman, Lillian Zeteregren and Mary Vogel.

We sold hot dogs, popcorn balls and several varieties of candy. We made \$15.57 clear. Altogether we got \$21.57.—Evelyn Smith, Stolp 2D.

Octet Presents 3 Songs at Citizenship Club Meet

At our last citizenship club meeting we had first our business meeting and then a little program. An octet of girls and boys sang three songs. The first one was "Crickets," then "Evening Song," and then the "Beautiful Blue Danube" waltz. The children who sang were: altos, Harriet Jones, Betty Stinson, Patsy Flynn and Roger Sherman; sopranos, Evangeline Olson, Maurine May, Stanley Smith and Frank Brumbaugh. Willard Jarchow played the piano. We all enjoyed it very much.—Charles McCandlish, Howard 5A.

GLEE CLUBS PRACTICE

The seventh and eighth-grade glee clubs at Stolp are getting ready for the spring concert. Some of the songs are: "The Linden Tree," "The Song of the Brook" and "The Strawberry Fair" which is a new song to us. Altogether there are ten songs to learn and we are trying hard to master them.—Virginia Sommers, Stolp 7th grade.

GIVING CONTEST STAGED

In school we are having a contest to see what room brings the most food for the poor. We are trying to get each child to bring a can of food.—Peggy Petersen, Howard 5A.

HERE'S A FINE RECORD

So far this year the pupils of 7B have written fifty-four JUNIOR LIFE articles, thirty-three of which have been published.—John Seddon, Howard 7B.

ANSWER "YES" OR "NO"

On January 26, Miss Davis' room had a test on geography. We had fifty questions and had to answer in yes or no. I liked it.—Stanley Smith, Howard 5A.

CLASS MAKES SCRAPBOOK

In our music room, our singing teacher, Miss McKay, is having us make a class scrapbook of composers of music we have been studying.—Robert Bartlett, Howard 5B.

ENJOY MAP WORK

On January 20, we received our first maps. We put figures on the map representing different places. We enjoyed working on these maps.—Betty Huck, Logan, 4th grade.

AH! FIVE ARTICLES!

Ah! We had five articles in JUNIOR LIFE. We didn't get more than 7A, though. Can't we beat them? Let us hope so.—Bill Hayt, Howard 7B.

With the Teams

Wednesday afternoon, January 25, six New Trier freshman girls came over to give the picked team of Howard some practice. Believe me, they certainly did. In the first part of the game, only Howard scored; in the last half New Trier made one basket and the game ended in favor of Howard, 30 to 2.

Nevertheless, New Trier played a good game and gave us some good practice. Here's hoping we win from Kenilworth when we play them in early February.—Marjorie MacMillan, Howard 8B.

This year the various boys from both schools turned out for the school team practice. We are now practicing for the games we will have later in the season. The peewees are being coached by Mr. Stone at the Stolp gymnasium and the lights and heavies are being coached by Mr. Davis at the Howard gym. It will be soon now when we start the track events.—Lowell Snorfi, Stolp 2C.

D-2 recently had its second basketball game of the season. The first game was a tie with D-1. Our second game was a victory over D-3. The D-2 team is as follows: Chuck Soule, captain, center; David Geppert, Howard Moulding, forwards; William Holmes, Albert Carpenter, guards. We won the championship in volleyball and we hope to do the same in basketball.—Howard Moulding, Stolp 1B.

The basketball season for AB-4 is blooming. We won our last game, 19 to 5, against AB-1. Jim Lamb was the leading scorer. Ed Mahle is our captain. We are tied with AB-3 for the championship with two wins and one tie. John Sauvage is captain of AB-3. Jim Lamb, Ed Mahle, Lowell Snorfi, Ashton Taylor and Jim Badger are AB-4 players.—Jim Badger, Stolp 1B.

The basketball team of Howard 5A plays every Friday at 3:20 o'clock. The lineup is: Dick Cochran, captain, Jimmy Urion, center, Dick Anderson, guard, Willard Jarchow, guard, and Charles McCandlish, forward. We played three games. We lost one, won one and tied one.—Dick Cochran, Howard 5A.

The 5A, 5B and 5C Howard will not have any more basketball games for two weeks. The 5A-1 team lost last Friday but 5A-2 won. The 5A-3 lost. The captains are: 5A-1, Dick Cochran; 5A-2, Carter Hadley; 5A-3, Frank Brumbaugh.—Carter Hadley, Howard 5A.

The Wilmette peewees were to have their first game Friday, January 27. They were to play Cleveland school from DesPlaines.—Bill Spinney, Stolp 1B.

HOW TO KEEP ALIVE

In our room we have a safety poster. It is to teach children to stop, look and listen. There is a picture of a girl looking in all directions before she crosses the street. The poster says, "Learn to live by learning to look."—John Nichols, Jr., Howard 6C.

Central Students Hear of Wonders on Magic Island

We had a very good assembly program at Central school, January 24. Betty Erickson introduced Mrs. Taylor who gave us a talk on the Enchanted island which is to be at the world's fair. She said that the Enchanted island is a peninsula which can be reached by a stretch of land that connects it with the world's-fair grounds or by going on a boat which you can drive yourself.

At the entrance there is an umbrella about sixty feet wide. On the island there is a mountain with a path leading to the top. When you reach the top you may slide down a spiral passage or return by the path. There is a train which runs around the island with our Mother Goose friends bordering it. They are made of cardboard and are about three feet tall. A marble factory that shows how marbles are made is on the island also. The fair opens June 1 and closes November 1. I am sure you will all enjoy the Enchanted island.

The boys of Mrs. Julian's room had the next part on the program. There were some boys who showed slides, representing the British Isles. The girls of Mrs. Julian's room gave an English play that was very interesting.

Then some of the children in Miss Evans' room gave a musical number. Seven different people gave talks on seven different instruments. After that there were two flute solos by Benny Moon accompanied by Valerie Adams.—Henrietta Hayson, Miss Evans' room.

Jim Streeter Elected President of Stolp 1B

The 1B class of Stolp has elected new class officers. They are as follows: president, Jim Streeter; vice-president, Howard Moulding; secretary, Gordy Fairman; treasurer, Evan McIlraith; program chairman, Sally Peaslee, and council member, Marian Cox. We hope these new officers will be as efficient as our last ones were.—Marian Cox, Stolp 1B.

GYM TEACHER RETURNS

Mrs. Ball, the Central school gymnasium teacher, is back again after being out for two weeks with the flu. In the meantime, Miss Skidmore, assistant athletic director, was practicing with us on the correct way to throw a basketball. We are glad to see Mrs. Ball again.—Mary Frances Badger, Stolp 1B.

SHOWS PROGRESS PICTURES

Tuesday of last week at the Stolp assembly we had a guest Mr. Smith, from Chicago. He talked about the Century of Progress, and what progress meant. While Mr. Smith talked he showed pictures.—Jean Riedel, Stolp 7th grade.

TO TELL OF ACCIDENT

In Miss Davis' room each child is giving a talk on safety. I am going to talk on what I saw in Evanston. It was an accident.—Vivian Smith, Howard 5C.
