### Benefit for Choir Fund Is Success

By F. B. M.

The benefit concert given Friday evening, March 3, at the First Congregational church under the auspices of the Men's club of the church brought a fine response in attendance and appreciation.

The members of the church quartet, Beulah Casler-Edwards, soprano, Ethel Heide Wishover, contralto, Walter Tenney, tenor, and Joel Lay, baritone, accompanied by Miss Emily Roberts, director, and Robert Brown, violinist, presented the concert for the benefit of the choir fund. All artists, they gave a beautiful performance.

In the first half of the concert, each member of the quartet appeared alone and gave a group of songs, and Robert Brown played three violin selections. In the second half, the second act of "Martha" (in which is sung "The Last Rose of Summer") was given under the direction of Miss Roberts. Mrs. Edwards was Martha, Mrs. Wishover, Nancy, Mr. Tenney, Lionel, and Mr. Lay, Plunkett.

The Men's club has carried out several other enterprises this year. At a church dinner which the club sponsored, the members gave an amusing vaudeville performance. The Men's club organized and prepared an excellent dinner for their own members with such great success that they followed it immediately with a large and equally successful Father and Son banquet.

Already the Men's club is progressing with other plans for carrying out the same idea of giving the community good entertainment.
