Kenilworth May Lose Member on New Trier Education Board

Contest Makes It Possible to Deprive Village of Customary Representation

It is possible for Kenilworth to have no representative on the New Trier High school board of education during the coming year because of the fact that there are two candidates from Wilmette and only one from Kenilworth for the two positions on the high school board which become vacant this spring.

In the past it has been customary for each village in the township to be represented on the high school board. Although members of the board are elected by voters of the township as a whole rather than by individual communities, by "gentleman's agreement" each village has been represented. This has ben made possible because, until this year, there has been no opposiiton to the candidates for the high school board chosen by representative groups in each community. This year, however, an independent candidate has entered the race in Wilmette in opposition to the regular candidate.

Peterson is Nominee

Two positions on the high school board become vacant this spring with the expiration of the terms of Edward J. Phelps of Kenilworth and William H. Ellis of Wilmette.

A. R. Peterson, 227 Raleigh road, Kenilworth, has been nominated by a group representing various Kenilworth organizations to succeed Mr. Phelps. In Wilmette another representative group of citizens nominated Herbert B. Mulford, former president of the Wilmette school board, to succeed Mr. Ellis. However, the sitpation is complicated by the entrance of a third candidate, Eugene S. Ward, 824 Oakwood avenue, Wilmette, who is running on an independent ticket. If Mr. Mulford and Mr. Ward each should receive more votes than Mr. Peterson, Kenilworth would have no representative on the high school board.

Other villages in the township are represented by the holdover members of the board—Otto R. Barnett of Glencoe, Mrs. Janet S. Gordon of Winnetka and J. R. Gathercoal of Wilmette. The election of the two Wilmette candidates would give Wilmette three representatives, Kenilworth none, Winnetka one and Glencoe one.

As announced previously, the date for the high school board election is Saturday, April 8. Unusual interest is being shown in the election this year, and a much heavier vote is expected than in former years.
