Christian Science
Churches

"Matter" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, March 19.

The golden text was, "O Lord our God, other lords beside Thee have had dominion over us: but by Thee only will we make mention of Thy name" (Isaiah 26:13).

Among the citations which comprised the lesson-sermon was the following from the Bible: "God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof" (Psalms 46:1-3).

The lesson-sermon also included the following passages from the Christian Science textbook, Science and Health with Key to the Scriptures, by Mary Baker Eddy: This material world is even now becoming the arena for conflicting forces. On one side there will be discord and dismay; on the other side there will be Science and peace. The breaking up of material beliefs may seem to be famine and pestilence, want and woe, sin, sickness, and death, which assume new phases until their nothingness appears" (p. 96).

Elmer Fletcher Dies
at Daughter's Home

Elmer Fletcher died Tuesday morning at the home of his daughter, Mrs. Erwin J. Herrick, 1032 Isabella street, after an illness of two and a half years.

Mr. Fletcher was born in Andes, N. Y., on June 25, 1856. In his early youth he removed to New York City, where he pioneered in the development of the phonograph.

In 1884 Mr. Fletcher married Belle Melville. Shortly thereafter he moved to Boston, later to Indianapolis and then to Chicago, where for several years he was associated in business with Roscoe L. Wickes, former resident of Evanston.

Mr. Fletcher's only active interest, outside of his business and his family, was the Chicago Sunday evening club, with which he was identified as an usher for many years. He was a member of the Rogers Park Congregational church.

Besides his widow and the daughter in Wilmette Mr. Fletcher is survived by another daughter, Mrs. L. O. Welcome of Brooklyn and by a sister, Imogene, and a brother, Daniel of Oneonta, N. Y. Burial will be at Rosehill cemetery today (Thursday), with services in the Rosehill chapel at 1 o'clock this afternoon.

The damage amounted to about \$200, according to Fire Chief Walter Zibble's estimate.

Saturday morning shortly before 10 o'clock the firemen made a run to the C. A. Berghoff residence, 727 Laurel avenue, to release a child accidentally locked in the bathroom.

The firemen extinguished three prairie fires in the past week, one on Wednesday night, March 15, about 8:25 o'clock at Lake avenue and Ridge road; and the other two last Thursday afternoon. The first of the Thursday fires occurred at 925 Ridge road and the other at Greenwood avenue and Ridge road. None of the prairie fires caused any damage.
