

Methodist Church "Group" Meetings Attract Villagers

By W. C. Reinhold

That public interest is growing in the "Five Interest Group" program now in progress in the Wilmette Parish Methodist church on Thursday evening of each week, is demonstrated by the steadily increasing attendance. Able speakers of national reputation, each one an acknowledged authority on his or her topic, have been heard on these programs.

This Thursday evening at 8 o'clock, Edna Dean Baker, president of the National College of Education, who stands in the front rank of America's educators, will be the speaker in "Group IV," sponsored by the Men's class. She will discuss "Education," a chapter in the report on "Revent Social Trends," made by the Research commission, which was appointed by Former President Hoover. A cordial invitation to be present is extended to every parent in Wilmette, Kenilworth and Winnetka, as well as to all who are interested in the progress of education.

On Thursday evening, March 30, Walter Fremont, publisher and writer, will address "Group IV" on the chapter of "Recent Social Trends" entitled "Means of Communication." If the men and women want to know "just what is ahead of us" they will arrange now to be present on March 30.

Study Literature

"Group II," which has had several delightful evenings looking into "Contemporary Literature, and Its Meaning for Today," will have a real treat this Thursday evening when Mrs. Oscar Thomas Olson will review the book "Eighty Songs at Eighty" by Edwin Markham. This group has been fortunate in its programs. Among the speakers who have appeared have been Dr. William D. Schermerhorn, Garrett Biblical Institute, J. R. Harper, superintendent of Wilmette public schools, and Luther R. Benson. Mr. Benson, last Thursday evening gave a scholarly, interesting and entertaining review of the life of "Justice Oliver Wendell Holmes" by Silas Dean.

Learn Use of Bible

"Group I" has an interesting series on "The Use of the Bible in the Modern Home and School" conducted by Prof. Frank M. McKibben of the Northwestern university. This Thursday evening Professor McKibben will discuss "Bible Interests and the Needs of Youth." This subject will be of special interest to those who have a sort of an idea that the Bible should be "modified" to meet modern conditions.

"Group III," which has been "Thinking It Through With Young People" under the direction of the Rev. Randall B. Hamrick have an inspiring program in prospect. Mr. Hamrick will discuss the question "Has Tomorrow a Challenge?"

"Group V," the Chorus choir, will hold its weekly rehearsal, which deserves an audience.

Cafeteria Supper

This weekly program will start at 6:30 p. m., with a cafeteria supper to be followed by a service of worship, under the direction of Dr. Oscar Thomas Olson. At 8 o'clock the various "groups" will meet in separate rooms, each to take up its special program.

ON BUYING TRIP

Mrs. Velda Dormand has taken charge of the ready-to-wear department of Edgar A. Stevens, Inc., in Evanston, and is now in the New York market. The many friends of Miss Dorothy Gibson, whom Mrs. Dormand succeeds, will be interested to know that she is married and is now living in New York.

B. Schafchen	A. Stempel
P. Shea	V. Johnson
G. Allen	M. Green
R. Braun	E. Clifford
S. Keil	

D. Riggle, referee

Gophers Take Title in "C" Cage League

The Gophers, boys' basketball team, won the championship of the "C" basketball league which was organized shortly before the Christmas holidays for the benefit of boys of high school age.

The champions finished the nine-week season with a record of eight games won and only one loss while the Sea Lions, their nearest competitors, finished the season with five games won and three lost.

The league met on Monday and Wednesday evenings from 6 to 7 o'clock under the auspices of the Wilmette Playground and Recreation board. Following are the team standings after the final night of play:

	Won	Lost	Pct.
Gophers	8	1	.889
Sea Lions	5	3	.625
Heavies	3	4	.429
Lights	0	8	.000

Norman Evans Captures Senior Marbles Honors

Norman Evans, last year's Junior champion in the Playground and Recreation board's marble tournament, graduated into the Senior class this year and proved himself still of championship caliber by winning the 1933 Senior title Saturday morning when the seventh annual marble tournament was held at the Village Green.

The tournament which was run in two divisions, one for boys and one for girls, turned out to be a crowning event for past champions. In addition to young Evans' winning the Senior crown, the second place winner was Eric Samuelson, the Junior Champion of 1931, and in the Junior Girls' division, Nadine Brown, 1931 Junior champion, an honor she won while still a third grader, regained her right to the title by winning the 1933 tournament.

In the Junior boys' division Bud

Hargis attached the title left vacant when Norman Evans graduated into the Senior class and W. K. Yeats finished in second place. In the Junior girls' division Mary Boheim, finished in second place, and Loretta Schleier, a second grade girl entering her first tournament, finished in third place.

Because of the rain and snow storm which seriously handicapped the players and had a damaging effect on the number of entries in each division, the Senior girls' tournament was not held and each of the other tournaments had far less entries than ever before recorded.

Members of the Recreation staff acted as referees of the tournaments.

Baptists Win Title in Volleyball Play

The Baptist volley ball team annexed its fifth championship Monday evening by defeating the Hoffmann Florist volleyball team in the play-off of a tie for the 1933 volley ball championship of the Playground and Recreation board at the Howard gymnasium.

In the preliminary announcements of the playoff last week it was announced that if the Baptists succeeded in defending their title successfully it would be the fourth consecutive season that they had earned the championship of the league. However, after a search through the files of the Playground and Recreation board it was discovered that they earned that honor last year and after Monday night's game had proved themselves champions for the fifth straight year.

It is significant that their rivals in this year's match was the Hoffmann Florist team which has been runner-up for the past three years and again ended in second place in the league after a game fight for the title. The scores of Monday night's games were: 15, 15 to 11, 13.

Sport Calendar

Thursday, March 23

- 7 p. m. Girls' gymnasium class. Howard gymnasium.
- 8 p. m. Ladies' gymnasium class. Howard gymnasium.

Friday, March 24

- 7 p. m. Men's basketball. Final games of North Shore league. Wilmette Lite vs. Bahal. Howard gymnasium.

Conduct Diagnosis Campaign in Fight on Tuberculosis

The annual early diagnosis campaign of the Chicago Tuberculosis institute, aimed at prevention and early discovery of tuberculosis, started this week and will continue throughout March and April, it was announced by the institute.

During the six weeks period thousands of pamphlets will be circulated to physicians, nurses, educators, parents and others in Chicago and Cook county. Numerous talks will be given before professional and lay groups.

The tuberculosis institute will bring to Chicago outstanding authorities in the field of tuberculosis control, who, together with local public health officials, will present a course on tuberculosis and public health for graduate nurses. These lectures will be given in cooperation with the Illinois League of Nursing education and will be held in the headquarters of the Illinois Association of Graduate Nurses at 8 S. Michigan avenue. There is no charge for the lectures, which are open to everyone. Dates for remaining lectures are March 30 and April 6, 13, 20 and 27; May 4 and 11.

In addition to local physicians and public health workers, the speakers in this course include Dr. H. E. Kleinschmidt, director of health education service of the National Tuberculosis association, and Dr. Philip P. Jacobs, director of publication and extensions of the national association.

The slogan for the general campaign this year is "Tuberculosis—From Whom Did He Get It? To Whom Did He Give It?" In addition to abstracts of recent scientific information supplied to the medical and nursing professions, the institute will provide a small leaflet about tuberculosis for general circulation and another entitled "The Tuberculin Test," which is designed specially for parents.

Boy Scouts, Girl Scouts, and other civic organizations will cooperate in the distribution of the health information.

HEAR DRAMA LECTURE

The Lake Shore Players held an open meeting Thursday evening, March 16, at the home of Lawrence Langdon, 715 Laurel avenue. Guests of the club were Mr. and Mrs. LeRoy V. Stransky of Chicago. Mrs. Stransky, instructor in dramatic art and make-up at Mundelein college gave a talk on the little theatre movement and discussed the problems of the amateur actor.
