

## PROVIDE JOBS, LEGION'S PLEA

### Appeals to Village Board and Community Chest to Fur- nish Work for Jobless

Wilmette Post No. 10, American Legion, has gone on record as being in favor of providing work for unemployed men in Wilmette through funds of the Board of Local Charities and has sent copies of a resolution adopted by the post in this regard to the Village board and to the Wilmette Community Chest association.

"Deserving men would choose to work for what they receive rather than accept a dole," the resolution states, and the suggestion is made that unemployed men be given work in the Village "that would not otherwise be done."

#### Adopts Resolution

The resolution read as follows: "WHEREAS there is a large amount of unemployment in the Village of Wilmette, and

"WHEREAS a number of the heads of families are receiving help from the local Board of Charity, and

"WHEREAS the Village of Wilmette is unable to regularly employ enough men to properly keep the Village Streets and Alleys clean and perform other work that is ordinarily considered necessary, and

"WHEREAS most of the money for the Village Charity Fund comes from the Tax Payers, and

"WHEREAS deserving men would choose to work for what they receive rather than accept a dole,

"BE IT RESOLVED that the Wilmette Post of the American Legion go on record as being in favor of providing work for these men and in this manner serve the double purpose of performing necessary work in the Village that would not otherwise be done and at the same time preserve the self respect of those receiving aid.

"BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Village Board of Wilmette and the Wilmette Community Chest."

#### Board Confers

The Village board members discussed the Legion resolution at an informal meeting Monday night. Village President C. P. Dubbs has notified David C. Leach, commander of Wilmette post, that in his opinion "inasmuch as the charity board is an absolutely independent board, made up of citizens who contribute and who elect their executive board, I think the resolution should be directed to them and not to the Village board."

Mr. Dubbs explained in his communication to Mr. Leach that for the past year C. C. Schutz, who is in charge of the work of the Board of Local Charities, has been doing as the Legion post suggests in the em-

ployment of citizens requesting relief.

#### Must Feed Families

Mr. Dubbs adds that "while a great number of the people are very glad to work, I also understand that others absolutely refuse to do such work. Yet we cannot permit their families to starve on that account. Another angle we must recognize is that the funds obtained from the drive this year were very small and will be exhausted in May. It is necessary, therefore, to confine help to the most urgent cases."

### Announces Drastic Cut in Cost of Auto Tires

Al Jensen of the Wilmette Battery and Electric service, 740 Twelfth street, has advised his patrons that a drastic reduction in the price of Goodyear All-Weather and Pathfinder tires went into effect last week. The price cut on the All-Weather tires amounted to 20 percent. The reduction on Pathfinder tires amounted to 22 percent. The new prices are competitive with those quoted by mail order houses, Mr. Jensen states.
